

Targeted 2021/2022 Goals & Accomplishments

GOALS:

1. **Increase our Impact:** Our club will engage in impactful service projects that improve our local community as well as around the world through our support for The Rotary Foundation.
2. **Expand our Reach:** Our club will unite its members with other community stakeholders to create lasting change in our community and build lasting friendships. We will continue to support and engage the youth of our community.
3. **Enhance Participant Engagement:** Our club will deliver both personal and professional value to our members with encouragement to be involved in the club's leadership, social events, and community service projects.
4. **Increase our Ability to Adapt:** Our club will adopt a constant improvement strategy looking for ways to try new ideas, become more efficient or use technology in a different way.
