

Targeted 2022/2023 Accomplishments

GOALS:

1. **Increase Our Impact:** Our club will engage in impactful service projects that improve our local community as well as around the world through our support of The Rotary Foundation
2. **Expand Our Reach** – Our club will unite its members with other community stakeholders to create lasting change in our community and build lasting friendships. We will continue to support and engage the youth of our community by focusing on our local interact and Rotaract Clubs.
3. **Enhance Participant Engagement** – Our club will deliver both personal and professional value to our members with encouragement to be involved in the club's leadership, social events, and community service projects. We will enhance each member's club experience with personalized conversations of what it means to be a Rotarian.
4. **Increase our ability to Adapt** – We will strive to find new methods and new directions to keep up to date with our members' interests and recommendations.
