

Golf Tourney

September's annual Marcel Lacasse Memorial Golf Tournament at the Samoset Resort in Rockland, Maine, is over twenty years old and is a fabulous day of golf, sun, and coastal views. Proceeds from the tourney support our club's local high school scholarship program.

Fishing Tourney

Now in its 11th year, our Annual Damariscotta Open Bass Fishing Tourney draws record numbers of bass anglers and spectators to the shores of beautiful Damariscotta Lake each April. Proceeds from the tourney support our club's 2021 nonprofit donor groups, including AIO, Knox County Homeless Coalition, One Less Worry, Georges River Land Trust, Meals on Wheels, the Salvation Army, and the St Bernard Soup Kitchen, and others.

Electronic Waste Day

October's E-Waste Day in Thomaston provides a much-needed opportunity for our neighbors in the midcoast to drop off electronic waste for recycling safely. Donations by those bringing electronics to be recycled supports our 2021 Rotary International Service Projects (past projects have included hurricane relief, wheelchair purchases, and disaster relief).

Polio Plus Walk

Every October, our club collaborates with clubs from Camden and Belfast to bring awareness to Rotary International's longstanding battle for the eradication of polio worldwide. We rotate through Rockland, Camden, and Belfast annually to walk for the cause. Proceeds from the walk support our 2021 nonprofit donors (listed above).

2021 Donor Levels
