Proposing New Members.....

Every Rotarian has the privilege and obligation to seek qualified members. In this way, all club members can help their clubs achieve a full representation of the business and professional life of the community. Membership is the means to accomplish Rotary's mission and goal. Use the attached form to propose a new member to the club. You owe it to the club and the community. *Do It Today!*

Summary of Membership Provisions for New Members

General Qualifications – Rotarians are adults of good character and good business or professional reputation, who hold or have held positions with discretionary authority in any worthy and recognized business or profession.

Active Membership – Active members must meet the above qualifications, as well as live or work within the club's locality or nearby surrounding area.

Honorary Membership – People who

have distinguished themselves by meritorious service in the furtherance of Rotary ideals may be elected to honorary membership.

Classification– Each active member of a Rotary Club is classified in accordance with the member's business or profession. A classification describes the principal and recognized activity of the firm with which an active member is connected or the member's principal and recognized business or professional activity.

Standard Procedure

The prospective member's name and proposal form is submitted to the board of directors. The board ensures that the person is fully qualified and approves or disapproves the proposal within 7 days. The prospective member's name is then submitted to the entire club membership to review and submit approval or disapproval within 7 days. The proposer is notified of the decision by the club's membership director (Vice President).

NOTE – Until approval is granted, prospective members should not be informed that they have been proposed for membership. After approval has been announced, the prospective member is fully informed of the privileges, expectations and responsibilities of club membership. He or she is then asked to sign the proposal form and give written permission to publish his or her name and proposed classification to the club secretary. The approved prospective will be reminded about membership dues which will be prorated based on the new member approval date. The club secretary sends a completed new member report form to Rotary International as recommended by Rotary Club Bylaws or submits the new member's name via www.rotary.org.

Please return proposed new member information to the membership director.
