# FINANCIAL STATEMENTS

# AND INDEPENDENT AUDITORS' REPORT

JUNE 30, 2020

## INDEPENDENT AUDITORS' REPORT

The Board of Directors Dallas Rotary Club Foundation Dallas, Texas

We have audited the accompanying financial statements of Dallas Rotary Club Foundation (the "Foundation"), which comprise the statement of assets, liabilities, and net assets - modified cash basis as of June 30, 2020, and the related statements of cash receipts, cash disbursements, and other changes in net assets - modified cash basis, and cash flows - modified cash basis for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in the significant accounting policies disclosure; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

#### Saville, Dodgen & Company, P.L.L.C. Certified Public Accountants & Advisors

700 North Pearl Street, Suite 1100 Dallas, Texas 75201

214-922-9727 Tel 214-740-1726 Fax www.savillecpa.com An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of the Foundation as of June 30, 2020, and its cash receipts, cash disbursements, other changes in net assets and cash flows for the year then ended, in accordance with the modified cash basis of accounting as described in the significant accounting policies disclosure.

## Basis of Accounting

We draw attention to the significant accounting policies disclosure, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## DALLAS ROTARY CLUB FOUNDATION NOTES TO FINANCIAL STATEMENTS JUNE 30, 2020

## ORGANIZATION AND NATURE OF ACTIVITIES

#### Nature of the Foundation

The Dallas Rotary Club Foundation (the "Foundation", "we", "us", or "our") was formed to serve the community of Dallas by providing funding for education, civic, and welfare related activities. We are primarily supported by contributions from members of The Rotary Club of Dallas, investment income, and donations from the general public.

#### SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

Our financial statements have been prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting, as herein applied, does not include the presentation of expenses on a functional basis and the liquidity and endowment-related disclosures required by generally accepted accounting principles. Contributions are recorded when cash is received. Expenses are recorded when paid.

In addition, our financial statements have been prepared to present revenues, expenses, gains, losses, and net assets according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of transactions into two classes of net assets – with donor restriction and without donor restriction. Accordingly, net assets and changes therein are classified as follows:

*Without donor restriction* – Net assets not subject to donor-imposed stipulations.

*With donor restriction* – Net assets subject to donor-imposed stipulations that may be met by actions of the Foundation and/or passage of time or may be maintained permanently by the Foundation.

#### Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Use of Estimates (Continued)

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect the amounts reported in the statements of financial position. Significant fluctuations in fair values could occur from year to year, and the amounts ultimately realized could differ materially.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic, which continues to spread throughout the United States. The spread of COVID-19 has caused significant volatility in United States and international markets. In addition to the COVID-19 impacts already experienced, and which continue to be experienced, there are likely to be future impacts, such as the Foundation not being able to host fundraising events in a normal capacity, as well as individuals being less capable financially to freely donate. The ultimate extent of these impacts is uncertain and largely subject to whether the severity worsens, or duration lengthens.

#### Cash and Cash Equivalents

Cash and cash equivalents include all cash balances and highly liquid investments with maturities of three months or less when purchased. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents.

#### Investment Income

Investments are recorded and carried at fair value. Unrealized gains and losses are included in investment income. Donated marketable securities are recorded as contributions at fair value as of the date of donation.

Unrealized investment gains and losses increase and decrease, respectively, net assets without donor restriction unless the unrealized appreciation or depreciation is associated with investments underlying restricted net assets in cases where the donor requires that these amounts increase or reduce the amount with donor restriction.

## SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Investment Income (Continued)

Realized gains and dividend and interest income increase net assets without donor restriction unless these amounts are required to be used for certain programs or during specified time periods in which cases these amounts would increase net assets with donor restriction. Realized losses reduce net assets without donor restriction unless these amounts are associated with investments underlying restricted net assets in cases where the donor requires that these amounts reduce net assets with donor restriction.

Net assets with permanent donor restriction generally cannot be reduced by unrealized and realized losses below the amount originally donated.

#### Contributions

Contributions are reflected as increases in net assets without donor restriction if the contribution is made with no donor restrictions. Contributions received from donors that designate a specific purpose or time restriction are recorded as increases in net assets with donor restriction. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restriction. Contributions received that have restrictions that are not satisfied by the passage of time are also recorded as increases in net assets with donor restriction.

#### Related Party Transactions

As a part of the Foundation's operations, payments are made to The Rotary Club of Dallas (the "Club"), a related party. The largest payment is for various administrative services provided to us. During the year ended June 30, 2020, the administrative fee amounted to approximately \$35,956. All other payments to the Club totaled to \$13,630.

#### Income Tax Status

We are a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code. We qualify for the charitable contribution deduction under Section 170(b)(1)(A) and are not classified as a private foundation under Section 509(a)(2). We are exempt from federal income tax on income related to our exempt purpose. Accordingly, no provision has been made for federal income taxes in the accompanying financial statements.

## SIGNIFICANT ACCOUNTING POLICIES (Continued)

### **Donated Services**

No amounts have been reflected in the financial statements for donated services. The Foundation pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Foundation with specific assistance programs and various committee assignments.

## **INVESTMENTS**

Investments of the Foundation are stated at fair value. The following describes the components of the Foundation's investments at June 30, 2020:

Exchange traded funds	\$ 574,822
Mutual funds	2,526,050
	\$ 3,100,872

## FAIR VALUE MEASUREMENTS

The fair value standards ("FV Standards") that the Foundation has adopted, in accordance with the modified cash basis of accounting, define fair value, establish a framework for measuring fair value, and require certain enhanced disclosures about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (exit price) in an orderly transaction between market participants at the measurement date.

## FAIR VALUE MEASUREMENTS (Continued)

The FV Standards established a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Foundation. Unobservable inputs reflect the Foundation's assumptions about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels based on the inputs used in measuring fair value, as follows:

- *Level 1* Inputs based on unadjusted quoted prices in active markets for identical assets or liabilities the Foundation has the ability to access. Since inputs are based on quoted prices that are readily and regularly available in an active market, Level 1 inputs require the least judgment.
- *Level 2* Inputs based on quoted prices for similar instruments in active markets or are observable either directly or indirectly. Inputs are obtained from various sources including financial institutions and brokers.
- *Level 3* Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2020.

- *Mutual funds* Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value to transact at that price. The mutual funds held by the Foundation are deemed to be actively traded.
- *Exchange-traded funds* Funds that invest in a variety of assets traded on an active market. These funds are valued at the daily closing price reported on the public stock exchange.

# FAIR VALUE MEASUREMENTS (Continued)

The following is a summary of the categorization within the fair value hierarchy of the Foundation's financial assets and liabilities measured at fair value:

Fair Value Measurements at June 30, 2020 Using:				
Description	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Investments: Exchange traded funds Mutual funds	\$    574,822 2,526,050	\$ - -	\$ - -	\$    574,822 2,526,050
Total investments	\$ 3,100,872	\$ -	\$-	\$ 3,100,872

# NET ASSETS

Net assets were comprised of the following as of June 30, 2020:

	Without Donor Restriction			With Donor Restriction	
Net assets without donor restriction	\$	1,847,128	\$	-	
Net assets with donor restriction:					
Temporarily restricted:					
Dreams for 2 Scholars		-		56,000	
Bike Rodeo		-		1,426	
Centennial Project		-		30,343	
Cooper/Kidwell Family Emergency Fund		-		220,818	
Dream for Scholars Fund		-		286,587	
Margaret Eliasoff Scholarship		-		100,186	
GSE		-		500	
Human Rights Symposium		-		300	
Hurricane Relief		-		80	
International Projects – Other		-		1,500	
Pints for Polio		-		81	
Rotary International		-		5,050	
Russell Revell, Jr. Scholarship		-		22,898	
Safer Dallas, Better Dallas		-		57,104	
Salute to America's Vets		-		26,977	
Teachers Recognition Award		-		10,490	
Tuition Assistance for DCCC		-		9,850	
Victor Hancock – Service Award		-		151	
Water Wells Project – Ghana		-		29,134	
International Project Fund: Zambia		-		70	
Women of Rotary Scholarship Fund		-		12,079	
Permanently restricted:					
Dream for Scholars Fund		-		321,234	
Russell Revell, Jr. Scholarship		-		15,376	
Teachers Recognition Award		-		169,661	
Ted Buhl Fund		-		53,725	
Women of Rotary Scholarship Fund		-		12,642	
Total net assets	\$	1,847,128	\$ 1	,444,262	

## CONCENTRATIONS

We maintain our cash and cash equivalents at a single brokerage institution. Investment assets are not insured against a decline in value and are subject to market risks. We carry a diversified portfolio of investment holdings, consisting primarily of mutual funds, which are held by the same brokerage institution.

Cash amounts on deposit with financial institutions may periodically exceed amounts insured by the Federal Deposit Insurance Corporation.

For the year ended June 30, 2020, approximately 19% of the total contributions for the year were from one donor.

## SUBSEQUENT EVENTS

The Foundation evaluated subsequent events that occurred after July 1, 2020 through June 11, 2021, which is the date these financial statements were available to be issued, and no subsequent events that met recognition or disclosure criteria were identified.

## INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

The Board of Directors Dallas Rotary Club Foundation Dallas, Texas

We have audited the financial statements of Dallas Rotary Club Foundation for the period July 1, 2019 to June 30, 2020, and have issued our report thereon dated June 11, 2021, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The Schedule of General and Administrative Expenses is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
