

Financial Statements
With Independent Auditors' Report

For the year ended June 30, 2023

102 S Tejon St., Suite 1100 Colorado Springs, CO 80903

kurtissmithcpa.com

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Dallas Rotary Club Foundation
Dallas, Texas

#### **Opinion**

We have audited the financial statements of the Dallas Rotary Club Foundation ("Foundation"), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for one year after these financial statements were available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, and design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and
  disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such
  opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

#### **Report on Summarized Comparative Information**

We have previously audited the Foundation's June 30, 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated March 1, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements, which includes the following:

- Schedule of Special Events
- Schedule of Expenses
- Schedule of Purpose Restricted Net Assets

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In my opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Colorado Springs, Colorado

**Notes to financial statements** 

For the year ended June 30, 2023

with summarized financial information for the year ended June 30, 2022

#### 1. Nature of Operations

The Dallas Rotary Club Foundation (the "Foundation", "we", "us", or "our") was formed to serve the community of Dallas by providing funding for education, civic, and welfare related activities on behalf of The Rotary Club of Dallas ("Club").

We are governed by our Board of Trustees, which must be members of the Club. We are supported by contributions from members of the Club and general public, and investment returns. We conduct direct charitable activities and make contributions to other organizations related to the mission and programs of the Club.

## 2. Summary of Significant Accounting Policies

#### **Basis of Presentation**

Our financial statements have been prepared in accordance with accounting principles generally accepted in the U.S. ("GAAP"). These financial statements include the accounts of the Foundation. The financial activities of the Club are not consolidated herein since there is no controlling interest.

Our significant accounting policies are described below to enhance the usefulness of the financial statements to the reader.

#### **Income Tax Status**

We are a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code. We qualify for the charitable contribution deduction under Section 170(b)(1)(A) and are not classified as a private foundation under Section 509(a)(2). We are exempt from federal income tax on income related to our exempt purpose. Accordingly, no provision has been made for federal income taxes in the accompanying financial statements.

#### **Use of Estimates**

We use estimates and assumptions in preparing financial statements in accordance with GAAP. These estimates and assumptions affect the reported amounts of assets and liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities. Actual results could vary from the estimates that were used in preparing the financial statements.

**Notes to financial statements** 

For the year ended June 30, 2023

with summarized financial information for the year ended June 30, 2022

### **Cash and Cash Equivalents**

Cash and cash equivalents include all cash balances and highly liquid investments with original maturities of three months or less when purchased. Investment cash held at our brokerage accounts are included in investments.

### **Fundraising, Contributions, and Contributions Receivable**

We receive a significant portion of our income from special events. We also receive routine contributions from donors unrelated to events. Special events can be comprised of dinners, golf tournaments, honorariums, and similar events, which can include direct program and fundraising activities. Income from special events can be comprised of contributions, sponsorships, ticket sales, fees, and other related event income. Contributions and other event income received as of our fiscal year-end for future events are presumed to be conditional on the events taking place and, as such, are recorded as refundable advances.

Contributions are recorded when received, which may be when cash or other assets are received or unconditionally promised. We report gifts of cash and other assets as donor restricted support if they are received with donor stipulations that limit the use of the donated assets.

Contributions receivable is comprised of unconditional promises-to-give by donors that are recognized when the promises are made. Such amounts are reported at their net realizable value. We provide for an allowance for doubtful accounts based on donor communications, historical collections, and other facts and circumstances. Due to the uncertainty of collections, it is reasonably possible that our estimate may change in the subsequent year. We determined that no allowance for doubtful accounts was necessary as of June 30, 2023.

#### **Investments and Investment Return**

Investments are comprised of endowment funds as well as other investments without donor restrictions. Investments are recorded and carried at fair value. Investment income is recorded on an accrual basis. Purchases and sales of investment securities are reflected on a trade date basis. Realized gains and losses are calculated using the average cost for securities sold.

Our investments in mutual funds and exchange-traded funds are valued based on quoted market prices and exchange rates, if applicable.

**Notes to financial statements** 

For the year ended June 30, 2023

with summarized financial information for the year ended June 30, 2022

#### **Endowments**

We have interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the original gift as of the gift date of the donor restricted endowment fund absent explicit donor stipulations to the contrary. As a result of this interpretation, we classify as net assets with donor restrictions in perpetuity (a) the original value of gifts donated to permanent endowments, (b) the original value of subsequent gifts to permanent endowments, and (c) accumulations to the permanent endowments made in accordance with the applicable donor gift instruments at the time the accumulation was added to the fund.

Investment returns are recorded in net assets without donor restrictions if there is no donor restriction on the income and in net assets with donor restrictions if the donor placed a restriction on the income. If there are capital losses on donor restricted income, those losses will go first against the endowment funds with donor restrictions and then be recorded in the unrestricted net asset category. All future gains will go first to cover these previously recorded losses before returning to the originally intended net asset category.

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or UPMIFA requires us to retain as a fund of perpetual duration. As of June 30, 2023, there were no deficiencies of this nature.

#### **Fair Value Measurements**

GAAP defines fair value, establishes a framework for measuring fair value, and requires certain disclosures about fair value measurements.

Fair value is defined as the exit price we would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a fair value hierarchy that prioritizes and ranks inputs in valuation techniques used to measure fair value. The fair value hierarchy maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 – Inputs using quoted prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs, other than Level 1 prices, such as quoted prices in active markets for similar assets and liabilities in markets that are not active, or unobservable inputs that are corroborated by market data.

**Notes to financial statements** 

For the year ended June 30, 2023

with summarized financial information for the year ended June 30, 2022

Level 3 – Unobservable inputs that are supported by little or no market activity and are significant to the fair value of the assets or liabilities. This includes discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

Our assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the classification of assets and liabilities within the fair value hierarchy. Because of the long-term nature of certain assets and liabilities measured at fair value as well as differences in the availability of market prices and market liquidity over their terms, inputs for some assets and liabilities may fall into any one of the three levels in the fair value hierarchy. GAAP requires us to classify these assets and liabilities in the lowest level in the hierarchy for which inputs are significant to the fair value measurement. A portion of that measurement may be determined using inputs from a higher level in the hierarchy.

#### **Refundable Advances**

Refundable advances are generally comprised of special event sponsorships received in advance of when the events are scheduled to occur. Such amounts are held as a liability (refundable advances) conditioned on the events occurring. Refundable advances can also include other amounts received that contain barriers or conditions that we must meet to be entitled to such amounts as contributions.

### **Contributions Approved and Payable**

We make contributions to other organizations for education, community betterment, social services, and other purposes related to our mission. We record as a contribution expense and payable upon approval of the grant in accordance with our policies.

#### **Net Assets**

The financial statements report amounts by class of net assets:

- Net assets without donor restrictions are currently available for operations under the direction of the Board of Trustees. This includes assets designated by our Board of Trustees for specific purposes.
- Net assets with donor restrictions are stipulated by donors for specific operating purposes. These include donor restrictions requiring the net assets to be held in perpetuity or for a specified term or purpose.

### **Notes to financial statements**

For the year ended June 30, 2023

with summarized financial information for the year ended June 30, 2022

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statements of Activities as net assets released from restrictions.

### **Functional Allocation of Expenses**

The costs of providing the various program services and supporting activities have been summarized in the Statement of Activities and Statement of Functional Expenses. Accordingly, certain costs, such as certain operating and event expenses have been allocated among program services and supporting activities. We allocate these expenses based on resources used and functional areas benefited.

#### **Subsequent Events**

Subsequent events have been evaluated for potential recognition or disclosure through [date], which is the date the financial statements were available to be issued.

#### 3. Investments

Our investment holdings, categorized in accordance with the fair-value hierarchy, as of June 30, 2023 is summarized as follows:

Endowment assets, end of year	\$ 518,409	\$ 451,215	\$ 969,624

We have adopted investment and spending policies designed to provide a future stream of funding to programs supported by our endowments while seeking to maintain the purchasing power of such endowment assets. Endowment assets include those assets of donor-restricted funds that we must hold in perpetuity. Under this policy, the endowment assets will be invested in a manner that is intended, over the long term, to provide sufficient growth to offset inflation. The actual return in any given year may vary from these amounts. Our policy is to also diversify our investments to mitigate concentrations in any specific markets or investment types.

### 5. Refundable Advances

Our refundable advances in the amount of \$25,000 as of June 30, 2023 and 2022 are comprised of sponsorships received for special events that occurred in subsequent years.

#### 6. Net Assets

Net assets with donor restrictions were comprised of the following as of June 30, 2023 and 2022:

	2023		2022
Purpose restricted:			
Community betterment	\$ 321,253	\$	309,717
Scholarships and education	38,037		78,036
Total purpose restricted net assets	359,290		387,753
Endowments	 1,073,387		969,624
Total net assets with donor restrictions	\$ 1,432,677	1	1,357,377

# 7. Financial Liquidity

The following reflects our financial assets as of June 30, 2023 and 2022, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of these dates:

	2023	2022	
Financial assets:			
Cash and cash equivalents	\$ 77,102	\$ 100,276	
Investments	3,452,423	3,250,035	
Receivables	42,779	51,607	
Financial assets, at year-end	\$ 3,572,304	\$ 3,401,918	
Less those not available for general expenditure within one year, due to:			
Net assets with donor restrictions	(1,432,677)	(1,357,377)	
Financial assets available to meet cash needs for			
general expenditures within one year	\$ 2,139,627	\$ 2,044,541	

As part of our liquidity management, we have a policy to structure our financial assets to be available as general expenditures, liabilities, and other obligations come due.

# 8. Concentrations of Contingencies

#### **Credit Risk**

Financial instruments that subject us to credit risk consist principally of a concentration of deposits in financial institutions in excess of insured limits and investments. At times, bank deposits may exceed amounts insured by the Federal Deposit Insurance Corporation ("FDIC"). The FDIC does not insure investments and certain segregated financial assets. We have not experienced any credit losses in such accounts and believe we are not exposed to any significant credit risk related to cash and investments.

#### **Investment Risk**

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect the amounts reported in our financial statements. Significant fluctuations in fair values could occur from year to year, and the amounts ultimately realized could differ materially.

#### 9. Related Party Transactions

The Club is a related party due to our relationship and formation. We reimburse the Club for operational and administrative services provided by Club employees. We paid the Club \$36,948 during the year ended June 30, 2023 for these services.

The Club owed us \$38,917 and \$51,607 as of June 30, 2023 and 2022, respectively, for contributions deposited in the Club's accounts that relate to fundraising activities of the Foundation. We owed the Club \$16,127 for expense reimbursements as of June 30, 2023.
