

Greetings, Fellow Members of TGRCITW!

Below is our schedule for the Greet/Welcome/Inspire duties for the coming year.

Please take special note that if you cannot fulfill the duties on your assigned day, it is your responsibility (yes, being a member of the club does come with certain burdens) to find a replacement or someone with whom you can switch dates. To help facilitate your efforts should you need to do so, the email and phone numbers of everyone are also included in the schedule. It would perhaps be best to find someone within a few weeks of your own assigned date should you need to swap.

Thank you in advance.

Tressa & Mike
