Raffle Proceeds Project Selection Guidelines

Raffle funds available for the 2022-2023 project \$30,000

Joliet Rotarians:

You are invited to suggest a local community worthwhile project in need of funds. The 2022-2023 Joliet Rotary Raffle Project selection process needs your input.

Applications are now welcome. The deadline to submit your project application is March 31st, 2023.

The application can be found on the front page of our website.

Project Guidelines

The following guidelines must be met:

- A. Each project must be sponsored by a member of the Joliet Rotary Club. If the project is selected, that member, along with a representative of the organization shall monitor the progress and report on the implementation.
- B. The project must be a long-term benefit for the Joliet Community and will be used for capital expenditures only and not for operations.
- C. The specific project must be clearly identified including the Rotary Club of Joliet recognition plan.
- D. The project will be funded up to \$30,000. These funds are available as a result of the Annual Joliet Rotary Raffle Fundraising Event. Each year the anticipated dollar amount will be determined by the Board of Directors.
- E. Bids or estimates from design or construction professionals for all work and supplies should be submitted with each application.
- F. The Rotary Member sponsoring the project should return the application and supporting documentation to Immediate Past President, Brian Cedergren or current President Mary Sheehan by March 31st, 2023
