## GERALD AND DOROTHY ERICH ENDOWMENT FUND SCHOLARSHIP APPLICATION

This fund draws both its name and its inspiration from Jerry and Dorothy Erich. The long-time owners of Erich Printing and Lithographing, they gave many young people their start in graphics and the business world. Jerry funded the endowment and conferred on the Board of Directors the responsibility of carrying on his objective of helping worthy high school graduates of the East Side Union High School District to pursue their educational goals through two-year scholarships to community colleges or trade schools.

All scholarship applications must be submitted through this online form. However, before you begin this process, it is advisable that you download the scholarship application worksheet from the San Jose East Evergreen Rotary Club website (<https://rotarysjee.org/>) to ensure you have all the necessary data ready. In addition to the data on the worksheet, you will need to obtain a certified copy of our high school transcript, two teacher written letters of recommendation, on your school letterhead, and the signed and dated parental authorization form, also available on the San Jose East Evergreen Rotary Club website. All of these documents will need to be uploaded as PDF files and named using the following naming convention: For your transcripts, the pdf should be named using your first and last name proceeded by "transcript", (example Jerry Erich transcript.pdf). For the teacher recommendation letters, use your first and last name proceeded by 1 or 2 (example Jerry Erich 1.pdf and Jerry Erich 2.pdf). For the permission form use your first and last name proceeded by "permission" (example Jerry Erich Permission.pdf). Failure to follow these directions may result in the rejection of your application. If you are unfamiliar with PDF, a web search will show you many free tools out there to convert documents to PDF.

Application deadline is midnight May 31st.

No applications will be accepted after that time. So don't delay. Gather your information and submit your application today.
