Rotary Club of Golden Website Sponsor Guide

One of the benefits of membership in the Rotary Club of Golden is having a free business ad placed on the Home Page and other pages and sites associated with the website.

The process is simple:

1. Contact the Club Webmaster and indicate your wish to have an ad.
2. Provide any company logo, graphics, photos, and text you wish included.
3. Provide your company's website address if you wish the add to be linked to your website.
4. Alternatively, your ad can be liked to your email address, Facebook, page, or LinkedIn page.
5. Review ad copy provided by the Club Webmaster and instruct if any changes are needed.
6. Review final ad copy.
7. On approval of final ad copy, your ad will be placed on the website to appear in an ever-changing random order.
