You are cordially invited to join the City and our project team for a groundbreaking ceremony to celebrate the long anticipated kick-off of our Centennial Plaza project. The event will be attended by the Honorable Mayor Thomas Bernabei, Senator Kirk Schuring, and key stakeholders.

Centennial Plaza is a transformative project with a particular emphasis placed on the 'Live, Work and Play' premise; designed as an economic catalyst, while embracing the posture as the **Hall of Fame City** and as the epicenter for the 100th Year Anniversary of professional football.

Please join us for our groundbreaking reception immediately following at the Canton Brewery Company; 120 3rd Street NW, Canton.
