

*Congratulations, Paul White,
for practicing 50 years in pharmacy and
7 years hosting the weekly
Health Matters radio program!*

Health Matters

RADIO PROGRAM
with the Medicine Center Pharmacy

"Congratulations Paul on achieving an impressive milestone, 50 years in the art and science of pharmacy. Additional accolades for the success of The Health Matters radio program. You were blessed with tremendous knowledge and an incredible set of vocal cords. You have helped so many. Continued health and success."

- Dr. Charles Bogdan, Ohio Head and Neck Surgeons

"Congratulations on 50 years of pharmacy! It's nice to partner with someone who is interested in educating patients and providing personalized care!"

- Dr. Tara Scott, Revitalize Medical Group

"Love the show, love the host, love that the show is innovative and includes unconventional topics, such as animal healthcare. Thank you for all the peaches!"

- Dr. Jennifer Jellison, DVM For Paws Animal Hospital

Paul White

Registered Pharmacist

where wellness begins

"Paul has an affinity for helping people and one of the most relatable senses of humor I have ever come across."

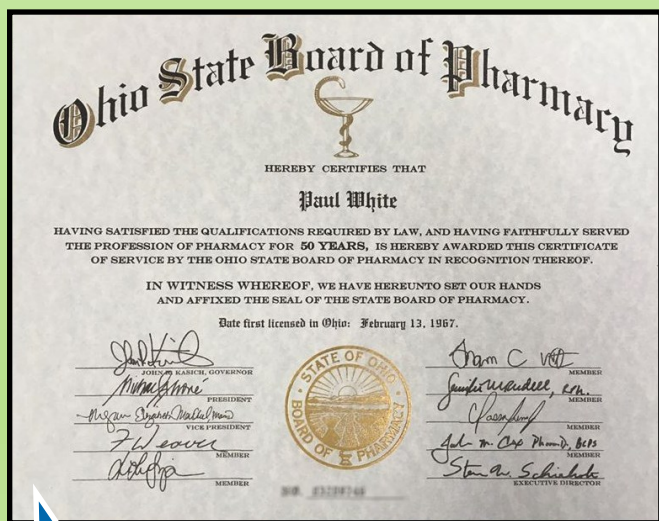

- Mark Adams, Canton Environmental Health Director

"Paul and Brad (White) have given so much to the community over the last 50 years. The community has greatly benefitted from their support. Thank you, and thank you for giving us physicians an opportunity to have our voices heard through "Health Matters". What a wonderful experience!"

- Dr. Ronald B. Cohen, DPM, FACFAS, OMNI Orthopaedics

"There are a lot of games and gimmicks in healthcare that can work to the disadvantage of patients; congratulations to Paul and Brad on seven great years of working to make sense of it all."

- Antonio Ciaccia, Ohio Board of Pharmacists
