Rotary has been working to eradicate polio for more than 30 years. Our goal of ridding the world of this disease is closer than ever.

We've helped immunize more than 2.5 billion children in 122 countries. So far, Rotary has contributed more than \$1.8 billion toward eradicating the disease worldwide.

PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Rooted in Allen since 1997, our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders with servant hearts, representing different professions, experiences, and perspectives, with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We work with various community partners on the following projects:

- **City of Allen**—roadside and Old Stone Dam cleanup
- **Allen Community Outreach** — donation packaging
- **Kids Against Hunger** —preparing a special blend of protein and nutrient enriched food to feed malnourished youth that's sent to other countries, more specifically to Honduras' 'House of Hope'.
- **Heroes on the Water**—helping warriors relax, rehabilitate, and reintegrate through kayak fishing and the outdoors.
- **Ending Polio** — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all

GET INVOLVED

Becoming a member enables you to meet Allen's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

When I think about what Rotary means to me, I think about the joy I get from being a part of an organization that is truly making a difference in our community and around the world. I have become a better person as a Rotarian. I have learned what it means to give back and I have been inspired by my fellow Rotarians as they show their dedication and commitment to Rotary each and every day; never hesitating to step up and share in the projects we do as a Club.
— Chris Schulmeister, City of Allen Councilmember
