Parles-tu anglais?

Majority of all employees in hospitality spoke English to some degree

Transportation had English options – many but not all restaurant menus had English – based on where in the city

Parting Advice

**Look for hotels / BNB's /
apartments in quieter
neighborhoods**

**Don't be intimidated by the
language or travel**

**Book major attractions in
advance of trip**

**Pace yourself – one or two “big”
events each day – allow time to
wander and relax**
