Carrollton-Farmers Branch Membership Application:

We welcome new members that have a heart for providing service to our community. Rotary is the largest service organization in the world, and we are just a small part of focusing on supporting those in need in both Carrollton and Farmers Branch. We are especially focus on finding ways to help the youth thru mentoring, scholarships, leadership camps, and opportunities for them to also participate in service to the community.

We raised more than \$300,000 via our members, the community and partnered with both cities to provide all accessible playgrounds in both Farmers Branch and Carrollton.

We meet weekly for lunch, fellowship, and an interesting program. Just start coming to our meetings as a guest so you get to know us, and we have the opportunity to know you and what you are passionate about. Filling in the information below is the start of becoming a member.
