"Having an opportunity to honor my dad in this way means more to my family than you'll ever know."

"The first time I saw the flags in the park, I was moved to tears. Such a beautiful tribute to our veterans."

Four years ago, The Commerce Rotary Club began a new tradition in our county. A venue was provided for businesses, families, and individuals to say "thank you" to those who protect our freedom – the Veterans and First Responders of Hunt County. The quotes above represent just a few of the many responses that we hear each year as people visit this moving display and take time to remember those who willingly gave of their time, and sometimes their lives, in service.

Held in Commerce yearly, a field is transformed into a moving tribute to service personnel, living and deceased, domestic and abroad. **This year, the powerful installation will be in place from November 8th through November 16th.** Hunt County heroes are honored with a 3' X 5' flag that is personalized with a photo and the story of their service. As you walk among them, you cannot help but be moved as you read individual stories of the brave women and men who truly put "Service Above Self" (Rotary's motto) as they provide for our protection. It is a unique experience that is both collective and personal.

In order to offer this tribute at no charge to the family, veteran, or first responder, the Rotary Club of Commerce is seeking sponsors to support this project. If this is something you see as valuable and you would like to participate, contact Jim Ayres at 214-729-7525 or complete and mail this form in with your donation to Commerce Rotary, PO Box 441, Commerce, TX 75429. Checks are made payable to Commerce Rotary. THANK YOU!
