Plano, TX 75086

Dear Mr. McWhorter,

First, let me just say, thank you! Plano Rotary's \$1,000 grant to the Hendrick Scholarship Foundation means you understand just how important giving deserving students the opportunity to attain a college degree is to the community.

Because of your generosity, Hendrick students continue to benefit from abundant opportunities to learn, grow and excel.

It's clear that you understand the importance of encouraging our students and see the value in the character development that is at the core of what Hendrick is all about. But don't take my word for it, read what one grateful student writes:

"I just wanted to take this time to acknowledge the fact that you are the reason I am having all these great experiences. You are the reason I am loving life so much now. You have made it possible for me to attend Collin College and help fulfil my dream of a college education."

You are making a difference in the lives of individual students and your gift helps us to provide scholarships, coaching, tutoring, career counseling, and life skills workshops.

Thank you again for your continued support of the Hendrick Scholarship Foundation.

Sincerely,

Gregg A. Pappas
Executive Director

Thanks so much for this wonderful donation!
