We fund scholarships, donate grants to local nonprofits, give to food banks and shelters, volunteer time and resources, and sponsor a corneal eye transplant program in India, among other projects.

You don't have to be a pickleball player to participate. Sign up as a Player or Supporter. All attendees will receive a personal charcuterie box, drink ticket, dessert, 20 raffle tickets, goodie bag and entrance to the party with karaoke, auction, drinks and games. Players will also participate in a pickleball mixer grouped by skill level, with one hour of court time including a short lesson, and an event T-shirt.
