Plano Metro Rotary Club's Serve for Good Pickleball Party benefits both local & global communities. Over the years, we've contributed approximately \$1 Million in funding & thousands of volunteer hours to many programs across Collin County and around the world. Proceeds from the event will benefit the Plano Metro Rotary Club Foundation, a 501(c)(3) nonprofit organization committed to giving back both locally and worldwide. We fund scholarships, donate grants to local nonprofits, give to food banks and shelters, volunteer time and resources, and sponsor a corneal eye transplant program in India, among other projects. You don't have to be a pickleball player to participate.

This event is our principal fundraiser and includes a pickleball mixer, karaoke, auction, games, prizes, a photo booth, raffle, and wine pull. All attendees will receive a personal charcuterie box, drink ticket, dessert, 20 raffle tickets, goodie bag, and entrance to the party. Players will also participate in a pickleball mixer, grouped by skill level, with one hour of court time including a short lesson, and will receive a T-shirt.

Serve for Good will be held on Saturday, May 6, 2023 at High Point Tennis Center in Plano. We are looking for community-minded citizens to join us in supporting local and global communities through this event. Please mark your calendar, and consider attending the event along with friends. It will be an enjoyable evening for a good cause. You may also support the event by becoming a sponsor, underwriter, or contributing items for the auction or raffle prizes.

Admission for the evening is \$100 per player or \$60 for supporters. To purchase tickets, visit [www.betterunite.com/serveforgood](http://www.betterunite.com/serveforgood).

Please share this information with friends and associates, allowing them the opportunity to support the local community and Rotary International as well. Thank you for your support!
