THE TRADITION

Fifty three years ago, Father Westapher and some church members played a game of golf to get better acquainted. At dinner following the round, they “passed the hat” and made a donation to charity. The ensuing tradition of fun, fellowship and giving has yielded hundreds of thousands of dollars for local worthy causes. Preston Center Rotary has hosted the tournament since Father Westapher stepped down.

THE EXPERIENCE

Now in its 53rd Year, the Westapher Tournament is at the top of the list of Dallas County's longest running charity golf events. This year we are excited to present a new experience at the award winning Cowboys Golf Club, recognized by area golfers as a world-class championship golf course. The Westapher Experience will begin with an in-car concierge check-in, followed by warm up on the driving range, a challenge on the practice putting green, or a bit of short-game work on the chipping range. Patrons will enjoy lunch before the round and an awards dinner ceremony upon finishing.
