

BULLETIN MONTH OF OCTOBER 2026

WENDI R. WILBURN

October 5, 2026: Tech Titans - Wendi R. Wilburn

With over 25 years intra- and entrepreneurial experience, Wendi Wilburn has spent her career helping organizations grow. Now, she's leading one through transformation and elevation.

As President & CEO of Tech Titans, Wendi has stepped into a pivotal moment – an opportunity to stabilize, build, and position one of North Texas' most important technology organizations for long-term impact across Texas. This is not a maintenance role. It's a legacy-building opportunity.

Over the next three years, her focus is clear:

- Strengthen the organization's foundation
- Build member confidence and engagement
- Expand corporate partnerships and recurring revenue
- Position Tech Titans as the catalyst for innovation leadership across Texas

Tech Titans sits at the intersection of industry, education, and workforce development. Through both the organization and its Foundation, Tech Titans has the opportunity to not only connect today's leaders – but help build the next generation of technology talent.
