#### President's Message

#### The Rotary Club of Summit County *Making Good Things Happen*

If you read your recently emailed District 5450 Newsletter you learned that January is Rotary Awareness month. Our district applied and received a PR grant from Rotary International. You can hear radio spots on NPR highlighting District 5450. Flying out of DIA? Look for the Humanity in Motion information signs.

Our Club is also improving our Rotary awareness and sharing the impact that our projects have on the community. Our good deeds need not go unnoticed. In our club we have our monthly Rotary SDN page (thank you to all our member sponsors) and PR spots on Krystal 93 from *The Rotary Club of Summit County*. We are very lucky to have the Summit Daily News report on our projects in *The Daily*. We have a club Facebook page and Twitter account. Jeff McElhattan and his company Imagine That Creative are putting together a Club PR website that will give our visitors and community a better format to be involved and learn about our projects. We have Rotary 4-Way Test posters hanging behind the serving table at the Community Dinner. We have 4-Way Test posters hanging in the middle school for our 4-Way Test integrity building program and in Ms. Phipps classroom which is used for the Interact Club at the high school. Additionally, we wear our Rotarian at Work vests at parades and our community projects like Make a Difference Day and the 9 Health Fair. At the Ullr Parade and the upcoming Mardi Gras Parade member JR Musser is lending us a Ford pickup from his company, Summit Ford. The Ice Melt committee is supplying beads and masks for the Mardi Gras Parade in Breckenridge on Feb. 12. Come on out! We wear our pins, vests, and other Rotary logo attire. Many of us have purchased Summit Rotary aprons. If you would like to order one, see me. I love wearing my apron with my name embroidered on it. I feel like not only have I earned my Rotary apron I get to tell all who see me that I am a member of the Rotary Club of Summit County.

Let's not keep Rotary a secret. If you have ideas how to spread our message we want to know. Remember RI President Sakuji Tanaka says **Rotary Is... Peace Through Service**. Let's help him spread the word.

FYI:

Our district has recently launched a **Rotary Awareness Committee**. Club members who are interested can connect with this group on Facebook. <http://www.facebook.com/#1/RotaryAwarenessDistrict5450> or follow this blog. <http://rotarypr5450.wordpress.com/>.

Also look at this fun and interactive initiative from the Rotary Awareness District Committee. It is a photo and video campaign called

**Rotary Is...** You can get ready for our participation by watching this YouTube: <http://youtube/2eRbXxc-ksA>

### Rotary Happy Hour

Posted by Ann Morrison Clement on Jan 28, 2013

Every **second** Wednesday of the month, Rotarians have been gathering for Happy Hour. We are changing our location to those support our "Preferred Restaurants"- those restaurants who let Rotary put our brochures on display. The idea is to help our preferred restaurants with some business and exposure. Happy hour hours are from 5:00 to 6:30. If you haven't checked it out, pencil it in and come by and socialize on one or any of the following dates... SEE YOU THERE!

*The Happy Hour Committee members are:* Judy Irwin, Julieanne Gilchrist,, Michael Regall, David Matthews, Lou Wagner and Ann Clement. Some of us will be at each of the Happy Hours to welcome everyone. ## Last Week at Rotary

Posted by Jim Brook on Jan 28, 2013

### Last Week at Rotary

Despite challenges with the early morning closure of Highway 9 south of Frisco, most affected members found other routes to get to another action packed breakfast meeting. Fellow Rotarian and Chef **Bill Gilchrist** and his crew had enough crispy bacon on the buffet to satisfy all; please don't tell our doctors! As our Club's chair for The Rotary International Foundation ("TRF") **David Groth** presented the very special "Major Donor" award to past president **Sandy Mortensen**, who recently achieved the milestone of \$10,000 in cash contributions to TRF. He also presented two multi level Paul Harris Fellow ("PHF") pins in recognition of recent donations by **Joni Ellis** and **Jim Brook**. The weekly draw winner was **Sharon Butler** who was pleased to take home some extra spending money. She was not able to draw the ace of spades to repeat her win from late 2011, so the big pot is still there for the rest of us next week. Summit County Rotary Charitable Fund ("SCRCF") Board member and tax expert **Joe O'Malley** explained recent tax legislation that allows favorable treatment of IRA withdrawals directed to charitable donations by January 31. **Eric Fisher** announced names of all the host families for the District 5450 Youth Exchange ski weekend which begins this Friday, and thanked them for the support of this annual favorite event that is hosted by our Club. Our program speaker **Brad Williamson** of Summit County Television was introduced by visiting Rotarian and President Elect of the Breckenridge Mountain Rotary Club, **Jennifer Kermode**. Brad gave an informative talk on the formation of SCTV and the services provided, overcoming a few technical challenges in the process. Several Rotarians participated in meetings immediately following breakfast, including the **Judy LaPoint's** Fundraising committee and **Bob Ashley's** cash process committee, so we can all be assured that the money needed for our many charitable projects will continue to flow.

## Scholarship Committee

Posted by Darcy Rehn on Jan 21, 2013

The Rotary Scholarship committee will be meeting on February 5th 8:30-9:30 (just after the regular morning meeting) If you are interested, or are new and are looking for a committee to join, please join us!

## Reaching the Peaks

Posted by Kathryn Davis on Jan 28, 2013

**Scaling the Summit (STS) Program.** This program was instituted to provide recognition to Rotarians who support the activities of the Summit County Rotary Charitable Fund (SCRCF) and to encourage additional giving by all Rotarians through the establishment of goals and incentives. STS recognition will be given for contributions in the amount of \$25 or more to funds or projects funded through the SCRCF Board. These projects include but are not limited to Support the Troops, Shelter Boxes, Community Dinner, youth exchange, etc.

Recognition for cash contributions will be made at the following levels:

Peak 1 - \$500    Peak 2 - \$1000    Peak 3 - \$1750    Peak 4 - \$2500

Peak 5 - \$3500    Peak 6 - \$4500    Peak 7 - \$5500    Peak 8 - \$7000

Peak 9 - \$8500    Peak 10 - \$10,000.

### Membership

Posted by Peggy Beeler on Jan 21, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

### Recycle Your Magazines!

Posted by Peggy Beeler on Jan 21, 2013

Recycle that old and ***well read*** Rotary Magazine while spreading the word about our club!

When you have finished reading your monthly Rotary Magazine please bring it to our Tuesday meeting. We will place a label over the mailing information indicating our club name, meeting place and time and a contact. We will then ask members to help place a couple in offices with lobbies (doctors, dentists, fitness centers and other businesses).

Thanks for your help!

### New Member Bios

Posted by Peggy Beeler on Jan 21, 2013

Proposed Members, New Member, "Old" Member Bios

IF you are a new member in the last two or three years, email me a short bio to post in the bulletin for a few weeks so we can get to know you better. Email to Peggy at: [pbeeler75@yahoo.com](mailto:pbeeler75@yahoo.com)

We have two new prospective members. Please welcome them at our meetings. Their bio's will be in the bulletin for the next 3 weeks before they are inducted.

BIOS:

Diane

Many of you may have met Diane before her involvement with the Rotary. Diane has been in Summit County for over 12 years, getting to know the community through working at Starbucks for many years and later through the Summit Daily. She now works for Stone CPA and you probably know her as the friendly invoice girl for the Rotary. One might say that Diane is addicted to education. She attended the University of California at Santa Barbara and earned a BS in Mathematics and a BA in Psychology, then moved on to obtaining a MA and a PhD in Industrial and Organizational Psychology from the University of Akron, OH. Then in 2010, Diane decided that she didn't have enough letters to place after her name, so she set down the path of getting her accounting degree and her CPA license, and hopes to have this completed within 2013. She has traveled down many different career paths, but has finally found happiness in her current role helping people with taxes and accounting. When she is not studying or working, Diane enjoys the many offerings of Summit County life. She skis and bikes and hikes and goes camping. She also plays hockey in the Breck Betties League and enjoys sailing on Lake Dillon in the summer. She is looking forward to her participation in the Rotary, and getting to know the wonderful members in the Summit County Club.

Rosanne

Rosanne was a member of the Summit County Rotary for several years while her daughter, Suzy, was in High School. She hosted 5 exchange students during that time, having a wonderful experience learning about their countries, discussing politics with them and trying to provide a warm, caring home for them. Suzy even traveled to visit one of them at their home in Italy in 2000. Rosanne remembers traveling with some friends to Puerto Rico, Chile and Venezuela and visiting Rotary clubs in each of them. She was always amazed at all of the wonderful projects Rotarians had completed all over the world. Rosanne looks forward to being a part of Rotary again!
