##### **Happening Soon - Get on Board !**

As I described in last week's letter, we have prepared a revised Constitution and Bylaws for our club to replace the previous version, adopted in 2007. A few final revisions are being completed prior to posting the proposed new documents on our website soon. Members will be asked to vote during our breakfast meeting on Tuesday, March 11.

If you are or might be interested in the work done by our International Service committee, please stay for Maggie Ducayet's meeting at 8:35am on Tuesday Feb.11, right after we adjourn breakfast. It's a convenient time for many of us to connect, and that Committee has a lot in the works.

Please see Rob Phipps, Stephanie Katz, or me to find out how you can lend a hand to our capable Summit High School InterAct Club members as they prepare for their big fun and fundraising event with the Harlem Ambassadors basketball team's show at 7:00 pm, Saturday, March 15. At a minimum, plan to get your tickets early, then bring along some friends and family to enjoy the event!

One of our club members will win a free hotel room in Denver for our District Conference, first weekend in May! Register by March 31 to be eligible to win - see Butch or Jim soon for more details.

Several annual awards will be presented during that Conference. Summit County Rotary has some great projects that deserve to be recognized, so we have begun working on our applications - talk to Butch or Jim with your ideas and questions.

##### **Last Week at Rotary, Tuesday Feb.4**

- \* Thanks to **Debra Irvine** for her Inspiration, and for leading the Membership Committee through refinements to our proposed new Bylaws.
- \* We welcomed back **Roxanne Hoover**, and look forward to inducting prospective new Satellite members **Tessa Elder, Erin Gigileillo, and Bob Gregory** (see published Bios).
- \* **Judi LaPoint** recognized the Towns of Frisco and Silverthorne for generous cash grants in support of our weekly Community Dinner. **Deb Hage** echoed the sentiment with a big hug for Frisco Town Manager **Bill Efting**.
- \* **Ann Clement** reminded all of our next Happy Hour, 5:00 pm Wed. Feb. 12 at Red Mountain Grill, in Dillon.
- \* Classification Talks: **David Preaus'** Louisiana ancestors include privateer Jean LaFitte and a candidate for governor, while he and Susan have three young children who are Summit County all the way. David's initial ski bum jobs in CO were in the hospitality industry, and he recently marked 7 years as co owner of Creative Cabinetry by becoming one of our Corporate Sponsors. **Dave Matthews** got his start in Washington, DC, with ancestors from Norway, Wales, a Dutch sea captain, a link to Sam Houston. A degree from NYU and a stint in the Navy preceded his Masters at CSU and his to this beautiful state and a career in meteorology and snowpack science. Ann Clement is credited with bringing Dave to Rotary and keeping his life interesting!
- \* From Guatemala, **Joni and Mary Anne** wrote "Powerful experiences here in Guatemala. We are extremely glad to have **Butch** with us, as well as Linda Nedved from Arvada. We had a wonderful dinner a few nights ago at the home of our partners in the Vista Hermosa Club. We will have many stories to share!" See photos below.

### Excerpts from Bill Sanders Presentation on Sponsorships

Posted by Bill Sanders on Feb 05, 2014

#### Good Morning, Rotarians !

*This is a great day for Rotary and our community, because I get to announce our Corporate Partners for 2014.*

*This screen of logos behind me may look like last years, and that is positive, because so many firms have agreed to be Corporate Partners again in 2014, but there are a few significant changes as you shall see.*

*By definition, all Corporate Partners contribute a minimum of \$1000 in cash or services in-kind, and some do both.*

*Some of the cash contributions are earmarked for a specific cause, like our free, weekly, community dinners. But for the most part, the cash contributions are used as seed money for our fund raising projects like the Ice Melt Contest, Car Raffle, and Krystal93/Rotary BBQ.*

*So we Rotarians, through our fund raising projects, grow the cash to bigger dollar amounts for the benefits that we provide to our community.*

*And what are those benefits? They fall under the three major topics of: Health, Hunger and Education.*

*Some of the specific benefits under each topic are:*

#### HEALTH

- 9Health Fair
- Community Care Clinic
- Polio Eradication
- Clean Water
- Disaster Relief
- Troop Support

#### HUNGER

- Community Dinners (free) (weekly)
- Thanksgiving Dinner (free)

#### EDUCATION

\*Literacy (grade and middle school students)

\*Integrity (middle school students)

\*Leadership ( middle school and high school students)

\* Scholarships ( Summit County High School and Colorado Mountain College students)

I receive a lot of credit for bringing in these sponsors, but the real credit belongs to you:  
Those of you who are sponsors,  
Those of you who help me get sponsors, and  
All of you Rotarians who serve our community in these causes of Health, Hunger and Education.

These firms are called sponsors because we Rotarians give them important causes to sponsor. I just give them publicity, but plenty of it; their logos appear on the screen at every Club meeting, in the weekly Club Bulletin, the monthly Summit Daily News/ Rotary page, all event posters, all of our websites ( with their logo interactive to their home page), rack cards in all restaurants, hotels and visitor centers in Summit County, and a five minute presentation to our Club once a year.

A huge thank you to all of you for your sponsorship, your Rotary service and your help to me.

#### Prospective Member Bios

Posted by Debra Irvine on Jan 18, 2014

#### **Bob Gregory**

I grew up in rural Indiana where I enjoyed the benefits of small town life, such as the freedom of leaving the house on my bike on a summer morning and not returning until dark, all while my parents trusted in my safety and the joy such freedom brings to an adventurous child.

I attended business school at Indiana University, and upon graduation, my future wife and I headed west to the mountains of Breckenridge. After a short career in outdoor education, including a stint with the BOEC, I attended law school at the University of Colorado. We spent several wonderful years in Boulder and Denver, but once again the high country came calling and I began my legal career as a Deputy DA here in Summit County. I recently left the DA's office and started my own law practice in October 2013.

I enjoy most outdoor activities, especially telemark, alpine, and cross country skiing, extended river trips, and backpacking. I play softball and basketball, and dabble in poorly executed home improvement projects. My wife teaches at Summit Cove elementary and is expecting twins in March. Our dog, Indy, likes to prance through the snow.

#### **Tessa Elder**

Originally from Littleton, CO, Tessa Elder, loves living in Summit County. She enjoys the outdoor activities and the close-knit community. She and her fiancé, Kevin, will be married in Breckenridge this summer.

Tessa is the Dean of Students at SHS. She received both her Bachelor of Science in Spanish Education and her Master of Science in Curriculum and Instruction with an endorsement in English Language Development from the University of Kansas. Before moving to Summit, Tessa

taught English language development in Kansas City and Spanish in her hometown. She taught Spanish at SMS for 5 years before accepting the Dean of Students position.

Tessa is looking forward to making connections with Rotary members and within the community. She hopes to participate in international and local youth projects and committees. When asked about her big-picture goals, Tessa stated, "One of my many goals is to promote a culture of inclusion within the school and the Summit community."

### Erin Gigliello

Erin grew up in New Hampshire and moved to Summit County in 2003. She immediately fell in love with Breckenridge; its beautiful sense of community and the mountain lifestyle.

Erin is the General Manager of TV8 Summit and Outside Television Summit. She serves on the GoBreck Board of Directors as well as the Summit Chamber of Commerce Board of Directors.

Erin also volunteers as a Court Appointed Special Advocate for CASA of the Continental Divide. She is passionate about skiing, mountain biking, live theater and local business sustainability.

#### Membership

Posted by Debra Irvine on Sep 16, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

**If you would like to be a Mentor to a new member** please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
