Carpe Diem !

Seize the day - last Tuesday Sandy's Inspiration reminded us all to live life to the fullest. Don't wait forever for that elusive perfect moment to launch yourself into a new adventure or project, or somewhere down the road you'll find your memories are filled with regrets. Do you remember your early impressions of Summit Rotary ? We all were proud and excited to be invited to join such an active and energetic group of women and men who were clearly out to make big improvements in our local community and in the world beyond. Maintaining the good works of our Club requires a large number of us to lead the charge - some on smaller projects, some on larger ones. Good things don't just happen by themselves!

We have some opportunities right now that are well within the abilities of many of our members. If you like to be part of fun and celebrations but can only commit to a small project in the short term, you could be just the person to coordinate our Club's appearance in the March 4 Mardi Gras parade in Breckenridge. Or you can help our Ice Melt chair Diane Monaghan by assisting now with the Ice Princess side of that event. If you're going to be in town during most of June & July, you can be of real service as part of the leadership team for our 2014 car raffle, working as Joel Cochran's co chair with lots of mentor support from him and from Stephanie Katz. Our newly branded Festival in the Park (formerly BBQ at the Summit) on Aug 8 & 9 will once again be led by Betty Naftz and Rob Irvine, and they would be pleased to fill one or two remaining committee lead positions. See me, Fundraising Director Bob Lau or President Elect Peggy with any questions, and take action now. Engage Rotary, Change Lives!

Last Week at Rotary, Tuesday Feb.11

- * Thanks to Sandy Mortensen for her Inspiration encouraging us to live life to the fullest.
- * Welcome back Joni, Mary Anne, and Butch from their Guatemala trip, and thanks to Joni for leading the meeting with Jim in Florida for Valentine's Day.
- * Youth Exchange - Rasmus and Florence continue to enjoy Colorado adventures.
- * Butch reminded us to register soon for the District Conference, May 2-4, and Joni read a few comments about the fun, dancing, and inspiration that attendees wrote last year.
- * Roderick invited everyone to the Satellite meeting to join their fun and fellowship.
- * Classification Talk - Rob Phipps gave his with a little help from daughter Piper. He's had a variety of jobs from building chicken coops to bull castration to serving in the United States Air Force in Kuwait. The money from a garage sale provided the means to move to Breckenridge 14 year ago. Locally he has worked at Specialized Truck, then started his own small engine repair shop, and is currently GM for Art Supply Breckenridge. Married to Kim and expecting their second child, Rob's favorite job ever is Daddy Daycare.
- * Raffle: John Cheronis won the day's prize but couldn't convince anyone that his two of spades was the ace.
- * Fun Fund: Butch shared the opportunity to become a sponsor of a Guatemalan child to attend middle school. Mike Whitehill told us about a new financial company he is starting. Art Burger was at the meeting and thanked everyone for their warm thoughts. Bob Ashley told of a recent water project trip he took to Belize.
- * Program - Short Story Winners: Ruthie Boyd shared her winning story "The Summer of Quick" and Rachel Fisk shared her story "Cake". Both girls brought parents and were poised and confident. Special thanks to Rotarian and publisher Matt Sandberg of the Summit Daily News for leading this project, introducing the writers, and presenting their awards.
- * Satellite meeting - on Thursday from 5:30 to 6:45 members and prospective members learned a lot from our Youth Service Director, Stephanie Katz, about the Club's many existing and planned projects in that very active area of service. Next meeting Feb. 27.

after having spent some time recovering from a ski accident. Art asked if we could pass along a few thoughts to the membership...

I have gotten so many call, emails and cards it has been fabulous! I arrived in Frisco around 5 PM on Wednesday and seem to be okay at the altitude. I will still face many weeks of healing. After 2 weeks from the accident, the home visitation visits has been transferred to Bristlecone in the county. I really have appreciated all the cards, emails and phone calls. It has provided some great emotional boosts.

Thanks for all your supports.

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
