Who's Next?

Until recently it was called "New Generations" and now its called "Youth Service". During last week's meeting, **Stephanie Katz and Asa Armstrong** gave us a good summary of the work that our club is doing in that avenue of service. Did you know that our Interact Club at Summit High School has been so successful in recent years that it captured top honors last May for our entire Rotary District 5450 - that's almost 70 Rotary Clubs encompassing all of greater Denver, Boulder, and many other communities in the surrounding areas. This year our Interact club has doubled in size again, to more than 60 members under the leadership of President **Rita Foth** and her student team. In addition to their well established annual dodge ball tournament and several other activities, they are staging a new fundraising event with Mountain Mentors as the primary beneficiary. It's on Saturday, March 15 at 7 pm at the high school featuring basketball high jinx with the **Harlem Ambassadors vs. the Summit Superstars** (I'm sure you'll recognize at least a few of the local team members). It's sure to be entertaining and lots of good fun for the whole family. I hope to see all of you and your families at the game - can't beat the deal with adult tickets at only \$10 in advance. Get yours at the special table out front this Tuesday.

Major kudos to **Rob and Kim Phipps** who have guided this Interact club to successive peaks of success for the past several years. With young Piper getting more active every week and a new sibling on the way, I'm sure they'd welcome a few more Rotarians getting involved with this energetic group of young people. Who's next? surely these Interactors will become our country's future leaders!

Membership

Posted by Debra Irvine on Sep 16, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
