#### Passions

I've written about passions before. Passions are things we do that other people have a hard time understanding why we do them. I just got back from a hut trip with friends whose passion is to ski powder. We skinned to Fowler-Hilliard Hut, about 7 miles from the Vail side. Many people would think we were crazy to hike in freezing wind at over 10,000 feet. For powder hounds this is worth the fresh tracks.

We have members in our club whose passion is to ski. Check out Rob Phipps, Jim Brook, and Jeff Burns on Facebook. Jim Buckler fishes the world. John Cheronis travels the globe for business, but we also know it's because medical technology is his passion. Steve Cornwell can't stay off a sailboat. Jack and Jerry can't stay off their bikes. Joe O. used to bike, but now Joe and Fran sail. Then there are people like Dan Gibbs and Don Parsons whose passions involve policy making. Bill's passion turned into Gilchrist Catering. Bob Follett's passion is to write and publish books. Bill Reetz goes to Arizona in the winter so he can continue his Pickle Ball passion. Maggie Ducayet's passion is Honduras, while Maggie Hillman bikes in France. I don't know everyone's passion, but I see more and more members' passions involve Rotary. Mary Anne's passion is Literacy. Rolo's passion is RYLA. Rob's passion is Interact. Sandy's passion is helping other clubs set their vision. Deborah's passion is the Community Dinner. Liz's passion is Troop Support. You may not have a particular Rotary project as a passion, but by being a member you are supporting others in theirs. Or maybe, Rotary in general is a passion.

Some people still won't get it. I try to describe how I like feeling that what I do makes a difference. I like being around people who have ideas that improve the lives of others. I like making an impact in a child's life. I like the camaraderie of people with different backgrounds coming together for one purpose. I can't explain why I "do Rotary" so much. Rotary is fun. Rotary is helping others. Rotary is my passion. What's yours?

**REMINDER:** Bill Gilchrist is cooking up a special 3-year anniversary brunch for us on Tuesday morning. Set your alarm clock!

### Last Week at Rotary

Posted by Jim Brook on Mar 04, 2013

### *Astronaut Charlie Duke .... then .... and now with the Preaus Boys.*

With a full house of members and many guests, we all applauded **Deb Hage's** announcement that the Community Dinner had exceeded 60,000 meals served in the past four years as she recognized several of her most active supporters for the dinners with gifts of custom designed carry bags. The new backpack program is providing 160 sacks of food for weekend use by children in needy families. **Rob Irvine** announced new milestones reached by three members in the Scaling the Summit fundraising program for our Club's Charitable Fund. **Karen Wray** won the raffle but couldn't find the ace although our acting Sgt at Arms **Mike Regall** swears it's still in there somewhere. **Eric Fisher** was first to "guess the Rotarian" **Steve Bainbridge**; who had just slipped out to get to work at the Breck ski school. He may have been the only person to leave early, as the audience was thrilled to hear **Charlie Duke** give the intriguing story of his years as an astronaut in the Apollo moon program, including his walk on the moon as a member of the Apollo 16 flight crew. ### Membership

Posted by Peggy Beeler on Feb 25, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

Prospective Member Bio:  
Ron Carlson

I was born and raised in the Ann Arbor/Detroit area where he attended the University of Michigan, Oakland University and Wayne State University Law School. He came to Summit County in 1990 via Denver and Evergreen. Ron and his wife Judi have been married for 36 years , have 3 children-a doctor son who raises the grandchildren in Ohio and twin daughters -one in Aspen, the other in Michigan. Ron & Judi, who is also a lawyer, practice together in Frisco. Ron likes to specialize in business and real estate, but also covers construction, criminal and DUIs. He is the part time municipal court judge for Frisco and Black Hawk. Fun hobbies are skiing, boarding, camping, hiking, golf and fly fishing.

Roderick Macaulay

I have recently moved from my hometown of Conifer, CO. My father took me to every Rotary he went to, so I grew up in the club and only recently became a member. My life has always in some aspect had a level of service in it, from teaching kids in the school district to helping some paint a house. I currently work full time at the Verizon store in Frisco and attend night classes at CMC were I'm studying to be a teacher.

### Recycle Your Magazines!

Posted by Peggy Beeler on Jan 21, 2013

Recycle that old and **well read** Rotary Magazine while spreading the word about our club!

When you have finished reading your monthly Rotary Magazine please bring it to our Tuesday meeting. We will place a label over the mailing information indicating our club name, meeting place and time and a contact. We will then ask members to help place a couple in offices with lobbies (doctors, dentists, fitness centers and other businesses).

Thanks for your help!
