Rotary Knowledge Bowl

I noticed last week that we had fewer in attendance for breakfast than the week previous. I admit it was hard to follow Astronaut Charlie Duke who walked on the moon! I will need to promote our Club Assembly differently to get you to attend! It was a fun meeting. We were greeted with a delicious 3rd year anniversary brunch compliments of Gilchrist Catering. Thank you again, Bill. Then we had a lot of fun with a Rotary Knowledge Bowl. I didn't know we had such creative members. Team names included: Blue and Gold, Powder Pigs, Dream Team, Team Shaw, Testosterone, Fabulous Fighty Ferrets, and Team Awesome. Wow! Go Teams!

To keep the Knowledge Bowl running here are a few more questions...

- 1) What do old bikes, gardening tools, lawnmowers, and posthole diggers have in common? They are all equipment that the Denver Mile High Rotary club is collecting to fill a container headed to Papua, New Guinea. The shipment will be sent on March 20. Bring items to Tuesday's meeting. I may need a volunteer to get the tools to Denver.
- 2) What do hungry people, vials of blood, and bright yellow Rotarian at Work vests have in common? These are things you will find at the **9Health Fair on April 6**. Linda Lichtendahl and Roxanne Hoover, among many other club members, are very busy coordinating this event which will serve 900-1000 residents of our community. If you haven't signed up already, please contact Linda at lindalichtendahl@centura.org or find the volunteer clipboard on Tuesday. Over 100 volunteers are needed to run this important community event.
- 3) What do hockey pucks, wine and the 4-Way Test have in common? All things you must consider adding to your calendar. **March 24: Rotary Avalanche Night** - Avalanche vs. Vancouver Canucks. As for wine? Come to our **Club Happy Hour this Wednesday** at the Blue Spruce in Frisco 5:00-6:30 and have a glass. And more wine...REGISTER NOW for the **District Conference April 26-28**. I keep saying it because it's true! This is going to be the best conference ever, and it can't get much closer - over the hill to Vail. Join us! Register on the District site. You will be reimbursed by our Club for much of the registration fee. Lastly, mark the **4-Way Test on April 24 and 25**...see Liz. It's easy and rewarding. We teach the entire Summit Middle School 7th grade class (small groups at a time) all about living life using the 4-Way test as a means to make decisions. No prior experience necessary. Finally, Mary Anne has mentioned that if you want to go to Guatemala next year NOW is the time to request an application. Go to www.guatemalaliteracy.org The Rotary GLP trip (Guatemala Literacy Project) is Jan. 31-Feb. 9, 2014. Registration is handled directly through the GLP (a program of Co-Ed - Cooperative for Education).

That's all for this week fellow Rotarians. Remember...what Rotary Peace Scholar Mario said:

"Rotary is like going to bed. You have to get in all the way or your risk falling out."

Are you in?

Membership

Posted by Peggy Beeler on Feb 25, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

Prospective Member Bio:
Ron Carlson

I was born and raised in the Ann Arbor/Detroit area where he attended the University of Michigan, Oakland University and Wayne State University Law School. He came to Summit County in 1990 via Denver and Evergreen. Ron and his wife Judi have been married for 36 years , have 3 children-a doctor son who raises the grandchildren in Ohio and twin daughters -one in Aspen, the other in Michigan. Ron & Judi, who is also a lawyer, practice together in Frisco. Ron likes to specialize in business and real estate, but also covers construction, criminal and DUIs. He is the part time municipal court judge for Frisco and Black Hawk. Fun hobbies are skiing, boarding, camping, hiking, golf and fly fishing.

Roderick Macaulay

I have recently moved from my hometown of Conifer, CO. My father took me to every Rotary he went to, so I grew up in the club and only recently became a member. My life has always in some aspect had a level of service in it, from teaching kids in the school district to helping some paint a house. I currently work full time at the Verizon store in Frisco and attend night classes at CMC were I'm studying to be a teacher.

Recycle Your Magazines!

Posted by Peggy Beeler on Jan 21, 2013

Recycle that old and **well read** Rotary Magazine while spreading the word about our club!

When you have finished reading your monthly Rotary Magazine please bring it to our Tuesday meeting. We will place a label over the mailing information indicating our club name, meeting place and time and a contact. We will then ask members to help place a couple in offices with lobbies (doctors, dentists, fitness centers and other businesses).

Thanks for your help!
