President's Message

Rotary – Do you Feel It?

Why we love being Rotarians in Summit County... We snowshoe and sled, eat great food, serve at the Community Dinner, dress up for Mardi Gras, share smiles at Happy Hours, travel to others countries, teach students the value of leadership, and organize our neighbors at the 9Health Fair. There is always something to do when you are a member of the Rotary Club of Summit County.

So just what does it mean to be a Rotarian? Is that the same thing as being a member of the club? You might hear a story over the course of your Rotary life of when someone went from being a member of a club to being a Rotarian. To me it's a feeling. It's a feeling of giving, a feeling of Service Above Self. Don't run to RI with this, but I think that tag line is a little old school although I get the meaning.

When someone expresses an interest in our club, our wonderful Membership Chair, Peggy Beeler, contacts the person and explains our projects and activities. Peggy tells the interested party that our club *Makes Good Things Happen*, but in order to do good stuff, being a Rotarian takes time and money. We pay dues at \$200 a quarter, and very strongly suggest donating \$30/month to both our Charitable Fund and The Rotary Foundation. On top of the monetary contribution members need to 1) *volunteer for service projects* (9Health Fair, 4-Way Test, Make a Difference Day, Troop Support, Reading Buddies, Community Dinner), 2) *join a committee* (Literacy, Scholarships, International, Summit High Career Days, Youth Exchange, Fundraising, Local Grants), 3) *help us fundraise* (sell and/or buy your allocated Ice Melt and Car Raffle Tickets, volunteer at the BBQ), and one day we need you to 4) *chair a project or fundraiser*.

So who says when you've become a Rotarian rather than a member of a Rotary Club? YOU do. If you ask me, it's when a beautiful brown eyed child sits in your lap and reads to you. Or it's when a recipient of one of our scholarship students returns to express their gratitude for enabling her to earn a degree at CMC, a youth exchange student or RYLA grad grows into a giving, tolerant adult, a young person writes a letter of gratitude for a warm meal, a trooper writes a heart touching thank you note, or a student shows you a 4Way test coin that he has kept in his pocket.

What's crazy is when you are a Rotarian, it's easier to sell Ice Melt tickets because you've participated in the good things that we do. You FEEL the good. You KNOW that what we do is meaningful. Sharing that our Club gives back over \$100,000 to our community every year is most powerful when you've participated in the giving (service) not just the getting (fundraising).

Okay, so you're saying I FEEL it Joni, I'm a Rotarian, but it's *still* hard to sell my Ice Melt tickets. No worries just purchase your 30 tickets (simple, eh?). It would help the Ice Melt Committee if you can *return your manila envelopes with ice melt money and stubs* between now and the April 9 Tuesday meeting, but as you know, the contest officially ends when the clock falls through the ice so don't stop selling. Last year the clock went in the lake the earliest date ever on April 11.

For Ice Melt information contact **Rockin' Rotarians Ann Clement and John Pfarr:**

Ann 970 389-0031 almclement@comcast.net

John 303 717-1313 john@AIAFrisco.com

RETURN YOUR ICE MELT MONEY AND TICKET STUBS as early as you can.

DO YOU FEEL IT?

Pres. Joni

BTW: I need more Ice Melt tickets. If selling your Ice Melt tickets is nightmarish to you, and buying isn't in your plan, let's talk.

Community Dinner

Posted by Kathryn Davis on Mar 18, 2013

We had an above average good time this week as it was my 64th birthday and I got to celebrate it with 323 (20 children) of my best friends! The regular cooking crew, Joni Bauer, Peter & Marcia Hannishin, Jean Radin and Marsha Harvey presented me with a floral wreath for my head and then a cake. Joe, next to me, comes every week and makes the punch. The next picture is of Chef Paul Vorboril of Arapahoe Basin. He

prepared our dinner, which is why the kitchen crew had so much time to party! He made pork and chicken taco filling with all of the fixin's - tortillas, cheese, lettuce, beans, rice. Our diners filled their plates to overflowing and came back for seconds. Rave reviews all around. The icing on the cake came when everyone sang "Happy Birthday" to me followed by the Beatles hit "Will you still need me, will you still feed me, when I'm 64!" While all of the silliness was going on Rotary Club of Summit County worked away....making sure food was served, dishes were washed.....Great crew.

March 19 - Deb & crew cook, LOTM volunteers Corned Beef & cabbage

March 26 - Hannishins & crew cook, DCC volunteers, chili & baked potatoes

April 2 - Beaver Run cooks, SOS Outreach volunteers

April 9 - Deb & crew cook, Joe Johnson and friends volunteers

Membership

Posted by Peggy Beeler on Mar 18, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

Prospective Member Bio:

Erin Pfarr

Erin was born and raised on a lake in the Endless Mountains of Pennsylvania then spent eight years in Philadelphia where she founded a wellness center. After being recruited by her alma mater to work for them in NYC she sold the business. During Erin's five years living in Brooklyn she ran the student service department of the school and also was the administrator for their graduate program with Teachers College of Columbia University. On a fateful trip to Lake Powell is where she met the man she was meant to marry. Problem was he lived in Colorado and Erin still lived in NYC. After a few months of long distance calls and numerous flights

back and forth, she packed her bags and headed west to once again live by a lake in the mountains. Erin never imagined herself living in Colorado but now that she is here she knows that this is home. A fulfilling job as a business manager of a medical business for three years then led Erin to her current position as a marketing and sales representative for Servpro. Erin is proud to be a Summit County resident and is looking forward to giving back to both her local and global community through Rotary.

Recycle Your Magazines!

Posted by Peggy Beeler on Jan 21, 2013

Recycle that old and **well read** Rotary Magazine while spreading the word about our club!

When you have finished reading your monthly Rotary Magazine please bring it to our Tuesday meeting. We will place a label over the mailing information indicating our club name, meeting place and time and a contact. We will then ask members to help place a couple in offices with lobbies (doctors, dentists, fitness centers and other businesses).

Thanks for your help!
