New Bios

by Peggy Beeler

Heidi Swartzloff grew up in Michigan where she graduated from Michigan State University in 2008. She studied Communications and Public Relations. She originally moved to Colorado in the fall of 2008 to spend a season skiing and working before pursuing a career. She realized she loved the mountains and was fortunate enough to have the opportunity to begin a career right here in Summit County. Heidi works for a Public Relations firm based in Frisco. She also teaches dance classes at Alpine Dance Academy and is a youth mentor with the SOS program. Always looking for ways to get involved in the community, to be able to help locally and nationally, Heidi believes rotary will be an excellent fit for her.

Maggie Ducayet grew up in New Jersey and has a twin brother. She attended college in Buffalo, NY majoring in Nursing, Social Work and Early Childhood Education. There she met her husband and started a family. She, her husband and 4 children have lived in Germany, N.Y., France, Chicago, Houston and have been in Breckenridge for 10 years. She

taught pre-school for 13 years and was a school administrator for 3 years. She has done hospice work and grief counseling before retiring and moving to Summit County. She has worked in Outreach in Summit County, House with the Red Door and Summit in Honduras. She is looking forward to being a member of our club and getting even more involved with World Community Service and our local Community.
