#### President's Message

Posted by Joni Ellis on Mar 24, 2013

#### Need a Pick-Me-Up?

Do you need a fresh outlook? Are Tuesday meetings stale? Can't wrap around the thought of another packet of tickets "they" want you to sell? Try mentoring a new Rotary member! Mentoring involves getting to know your mentee, but it also means YOU get involved! Call a new member (or an old buddy) to meet-up and volunteer at the 9Health Fair. Join a committee together. Be a Greeter on a Tuesday morning or attend the next Club Board meeting. Volunteering together is a terrific way to get to know another great Rotarian. **Contact Ann or Peggy to learn more about becoming a mentor.**

Ice Melt Ticket stubs and money are coming in. **John Pfar is collecting money and ticket stubs every Tuesday.** Also, don't forget to come down to the **Dillon Marina on Saturday, March 30.** **Bid Jerry Devine good luck** as he hitches a ride on the hovercraft. Jerry, along with our wonderful Sheriff's office assistants will launch the Ice Device (with clock attached) out in the middle of Lake Dillon. This is our 28<sup>th</sup> year of the Ice Melt contest. Did you know that we've used a helicopter to launch the device?

Serving at the Community Dinner for our quarterly Rotary night was a blast. Thank you hard working volunteers! Dishwashers always deserve loud applause – **Debra Irvine and Asa Armstrong** were up to their elbows and down to their knees in dishwasher! Did you know most of the "weekly regulars" at the Community Dinner are not Rotarians? These terrific volunteers can use your help nearly every Tuesday. 6:30 -7:30 is an especially helpful time to offer a hand for clean-up duty. If you want to be a "regular", contact Joni Bauer.

#### Who are the tiara wearing royalty hanging around the county?

- **Matt**, the married bachelor marketing guru prince with baby #2 on the way, **Miano**
- **Barb**, the French speaking all around community volunteer, **Calvin**
- **Nancy** can-do-the-splits, LDFR, SIBA, SCBA, SCWRT, does-it-all, **Stone**
- **Brook** the hippie chick, loving-life rafter, Land Title Sales & Marketer, **Richards**
- **Karn**, 5<sup>th</sup> gen CO native, from NPS to NFS to teacher to commish, **Stiegelmeier**
- **Brandi**, fundraising girl, rattlesnake wrangling, Janis Joplin **Thompson**

But really who ARE they? Learn about these incredibly giving people who have volunteered to help our Club raise some CASH! [www.dilloncemelt.com](http://www.dilloncemelt.com) or [www.summitrotaryicemelt.com](http://www.summitrotaryicemelt.com) **The royal crowning approach-ith! Vote-ith NOWith!**

**9Health Fair on April 6** – SCROLL DOWN to volunteer or see **Linda Lichtendahl or Roxanne Hoover on Tuesday!**

Over and out...

Pres Joni

### Last Week at Rotary

Posted by Jim Brook on Mar 25, 2013

Our members sat down to breakfast with a very full house of "Reading Buddies" and teachers whose students are benefiting from this great local program of our very active Literacy Committee. **Mary Anne Johnston** recognized all of them for their contributions, and was very appropriately recognized right back by all of them for her passion and hard work that has made this program such a success. **David Groth** presented several Paul Harris Fellow awards including three first timers and several multi levels, reflecting the continued generosity of our members as encouraged by our District Governor **Mike Klingbiel** and Club President **Joni Ellis** in support of TRF and its programs world wide. **Judi LaPoint** managed to "guess the Rotarian" with Joni's "speaks five languages" clue - we should all have known it was our next YEO **Asa Armstrong**. Our favorite chef **Bill Gilchrist** won the daily drawing but couldn't find the ace of spades, and the Troop Support fund enjoyed the benefit of Bill's generous donation. Our two inbound exchange students reported on their weekend travel adventures - **Marlies Hofmann** got to Boulder and back with a series of buses, and **Simo Korpela** was on the road with a new hockey team and his new host hockey mom **Cathy Carleton** of Breckenridge. The sledding and snowshoe party on a sunny Sunday afternoon hosted by **Sandy Mortensen** and **Lou Wagner** at Sandy's Ute Pass home was a roaring success by all accounts. **Stephanie Katz** offered the last copy of the "Blue Revolution" book that will be the topic of next week's program by the author - we'll try to get it read before Tuesday !

**Rotary Happy Hour**

Posted by Ann Morrison Clement on Mar 25, 2013

Every **second** Wednesday of the month, Rotarians have been gathering for Happy Hour. Happy hour hours are from 5:00 to 6:30. If you haven't checked it out, pencil it in and come by and socialize on one or any of the following dates... SEE YOU THERE!

*The Happy Hour Committee members are: Judy Irwin, Julieanne Gilchrist,, Michael Regall, David Matthews, Lou Wagner, David Matthews, Aleda Kresge and Ann Clement. Some of us will be at each of the Happy Hours to welcome everyone. If you would like to be on the Happy Hour Committee, please contact Ann Clement at [almclement@comcast.net](mailto:almclement@comcast.net)*

**Membership**

Posted by Peggy Beeler on Mar 25, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

**Prospective Member Bio:**

Erin Pfarr

Erin was born and raised on a lake in the Endless Mountains of Pennsylvania then spent eight years in Philadelphia where she founded a wellness center. After being recruited by her alma mater to work for them in NYC she sold the business. During Erin's five years living in Brooklyn she ran the student service department of the school and also was the administrator for their graduate program with Teachers College of Columbia University. On a fateful trip to Lake Powell is where she met the man she was meant to marry. Problem was he lived in Colorado and Erin still lived in NYC. After a few months of long distance calls and numerous flights back and forth, she packed her bags and headed west to once again live by a lake in the mountains. Erin never imagined herself living in Colorado but now that she is here she knows that this is home. A fulfilling job as a business manager of a medical business for three years then led Erin to her current position as a marketing and sales representative for Servpro. Erin is proud to be a Summit County resident and is looking forward to giving back to both her local and global community through Rotary.

**Summit Community Care Clinic**

Posted by Ann Morrison Clement on Mar 25, 2013

#### COMMUNITY CARE CLINIC DONATION

The Summit County Rotary Club is pleased to donate a total of \$2,000 to the Community Care Clinic for the 2013 calendar year.

\$1,500 is a donation from our Club's Charitable Fund and \$500 is a donation from Bob Withers, Rotarian. The CCC has prioritized the purchased of a lap top computer with these funds.

The Summit County Rotary Club continues to be a proud Partner and Sponsor of the Community Care Clinic. Rotary has gifted CCC over \$50,000 in the last 10 years. In 2006 The Rotary Club of Summit County identified the Summit Community Care Clinic as our "Centennial Project"- 100th year anniversary of Rotary. Our club allocated \$40,000 to the Community Care Clinic for this project. Rotary dollars represented \$20,000 of the dental equipment cost and also supported an additional \$20,000 of medical equipment purchases. Since 2006 our Rotary Club has supported the CCC in the amounts of \$3,000 to \$2,400 for additional medical equipment.
