Words

I just Googled "inspirational words". The site says that I can buy 7 strong inspirational words for \$29.95 – a 35% discount. I can't use any other offer with this discount. All my words must be the same color. They can be different fonts. The words can be placed on glass, mirrors, flat or glossy paint. I wonder if a loud gong would sound if I accidentally chose a weak word.

Here are the 7 words that I picked, but I'm not going to buy them for my wall. I want to give them to you...

Everyone: bring in ticket money and stubs every Tuesday to John Pfarr. Contest ends April 30, or when the clock falls in the water. Tickets must be turned in or in the hands of a Rotarian.**Ice Melt Contest Reminder:**

If you buy your own tickets, use a spouse, child, or friends name on the stubs. While "legit" to win, it would look better to not have a member of our club guess the winning time. \$100 buys your member ticket allotment. You can also just send in \$100 and not sell a thing. OR you can pick up another packet and keep selling!

[Last Week at Rotary](#)

Posted by Jim Brook on Apr 01, 2013

Our typical range of guests was expanded this week to include three from Vienna Austria as exchange student **Marlies Hofmann** introduced her mother Brigit, sister Ruth, and brother Raymond. Thanks to Marlies' current host family **Mary Ann, Tom, and Emma Looby** for hosting a very enjoyable dinner for all four of Marlies' families in their home last Sunday evening. **Rob Irvine** presented recognition awards to **Art Burger** (peak 5) and **Wendy Myers** (peak 2) as he explained our Scale the Summit program that encourages donations to support of the Club's Charitable Fund and build its endowment. New member **Rod Macaulay** was inducted in the company of his Rotarian father, mother & sister as well as Past District Governor **Matt Matson**, all of the Rotary Club of Conifer. **Rolando** announced that our Interact Club at Summit High School is being recognized as the best in our District 5450, and members gave a standing ovation for **Rob & Kim Phipps** in recognition of their great work supporting that Club. The key clue in **Joni's** "Guess the Rotarian" this week was that he earned 10 cents per hour to sort old text books as one of his first jobs - not many members have been around long enough to experience that wage scale, and **Bob Follett** was quickly outed. Our party girl **Kathy Davis** won the weekly raffle after no one claimed the first ticket drawn, but she did not manage to pull the Ace for the big bucks. **Bob Ashley** invited members to join the Paul Harris Society by committing to donate \$1,000 annually to the Rotary Foundation in support of its great work around the world. As our program for the week, visiting the County through the "Summit Reads" organization, author **Cynthia Barnett** highlighted the theme of her book "Blue Revolution" with several examples of the illusion of water abundance and the excessive uses of fresh water in our country.

Next week, look for **Shannon Galpin** of Breckenridge (featured on Channel 9 News on March 28) to describe her past experiences and to explain why she is returning to Afghanistan to promote cycling and women's rights, in "**Pedaling a Revolution**".

COMMUNITY CARE CLINIC DONATION

The Summit County Rotary Club is pleased to donate a total of \$2,000 to the Community Care Clinic for the 2013 calendar year.

\$1,500 is a donation from our Club's Charitable Fund and \$500 is a donation from Bob Withers, Rotarian. The CCC has prioritized the purchased of a lap top computer with these funds.

The Summit County Rotary Club continues to be a proud Partner and Sponsor of the Community Care Clinic. Rotary has gifted CCC over \$50,000 in the last 10 years. In 2006 The Rotary Club of Summit County identified the Summit Community Care Clinic as our "Centennial Project"- 100th year anniversary of Rotary. Our club allocated \$40,000 to the Community Care Clinic for this project. Rotary dollars represented \$20,000 of the dental equipment cost and also supported an additional \$20,000 of medical equipment purchases. Since 2006 our Rotary Club has supported the CCC in the amounts of \$3,000 to \$2,400 for additional medical equipment.

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

Prospective Member Bio:

Erin Pfarr

Erin was born and raised on a lake in the Endless Mountains of Pennsylvania then spent eight years in Philadelphia where she founded a wellness center. After being recruited by her alma mater to work for them in NYC she sold the business. During Erin's five years living in Brooklyn she ran the student service department of the school and also was the administrator for their graduate program with Teachers College of Columbia University. On a fateful trip to Lake Powell is where she met the man she was meant to marry. Problem was he lived in Colorado and Erin still lived in NYC. A fter a few months of long distance calls and numerous flights back and forth, she packed her bags and headed west to once again live by a lake in the mountains. Erin never imagined herself living in Colorado but now that she is here she knows that this is home. A fulfilling job as a business manager of a medical business for three years then led Erin to her current position as a marketing and sales representative for Servpro. Erin is proud to be a Summit County resident and is looking forward to giving back to both her local and global community through Rotary.
