President Message

Good Stuff

Two wonderful events happened this week. Last Tuesday I told you how honored I was to represent The Rotary Club of Summit County at our High School Scholarship night. What an incredible community we have. Over \$320,000 was awarded to nearly 100 students. It's fantastic to witness this kind of support for education. Our Club awarded college scholarships to 4 high school seniors. Two awards went to students who are active in Rotary activities like RYLA and the High School Interact. The other two were awarded to students who plan to attend CMC (Colorado Mountain College). The Summit Foundation did an excellent job of selecting the students for us (thank you Lee Zimmerman!). Additionally this year, we completed the final \$5000 award to a First Generation Scholarship student, and we awarded scholarships to several students who attend CMC. Total College Scholarships Awarded by our Club in 2013 - \$15,000. Darcy Rehn, our Scholarship Chair, has been instrumental in coordinating these awards. Thank you Darcy and the Scholarship Committee!

The second event this week was of course the incredible 9Health Fair. Linda Lichtendahl (one of our club's past presidents), along with her hard-working committee orchestrated at last count, just short of a zillion volunteers. Rotary had a huge presence demonstrating our club's commitment to community. Thank you everyone for making this happen, and most importantly thank you, Linda. You are a great leader and talented event organizer. I want to also recognize the following Rotarians for taking key lead roles in the 9Health Fair: Don Parsons, Roseanne Shaw, Aleda Kresge, Roy Goodwin, Art Burger, Joel Cochran, Mike Kurth, Betty Naftz, Jerry Divine, Rob Phipps, Roxanne Hoover. You all demonstrated Service Above Self. Excellent work!

THANK YOU SUMMIT ROTARIANS! You made GOOD THINGS HAPPEN this week!

REMINDER on APRIL 16, our morning meeting is being replaced by an evening meeting at 6:00 that night (same location). We need your RSVP now to get our count to Gilchrist Catering. Please let us know if you can attend and if a significant other will be with you. This is the last week of the sign-up sheet on Tuesday. If you are not going to be at Tuesday's meeting, and have not noted whether or not you can attend, please email me. Raftin57@msn.com Thank you!

Summit Community Care Clinic

Posted by Ann Morrison Clement on Mar 25, 2013

COMMUNITY CARE CLINIC DONATION

The Summit County Rotary Club is pleased to donate a total of \$2,000 to the Community Care Clinic for the 2013 calendar year.

\$1,500 is a donation from our Club's Charitable Fund and \$500 is a donation from Bob Withers, Rotarian.The CCC has prioritized the purchased of a lap top computer with these funds.

The Summit County Rotary Club continues to be a proud Partner and Sponsor of the Community Care Clinic. Rotary has gifted CCC over \$50,000 in the last 10 years. In 2006 The Rotary Club of Summit County identified the Summit Community Care Clinic as our "Centennial Project"- 100th year anniversary of Rotary. Our club allocated \$40,000 to the Community Care Clinic for this project. Rotary dollars represented \$20,000 of the dental equipment cost and also supported an additional \$20,000 of medical equipment purchases. Since 2006 our Rotary Club has supported the CCC in the amounts of \$3,000 to \$2,400 for additional medical equipment.

Membership

Posted by Peggy Beeler on Apr 01, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and

bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

Prospective Member Bio:

Erin Pfarr

Erin was born and raised on a lake in the Endless Mountains of Pennsylvania then spent eight years in Philadelphia where she founded a wellness center. After being recruited by her alma mater to work for them in NYC she sold the business. During Erin's five years living in Brooklyn she ran the student service department of the school and also was the administrator for their graduate program with Teachers College of Columbia University. On a fateful trip to Lake Powell is where she met the man she was meant to marry. Problem was he lived in Colorado and Erin still lived in NYC. After a few months of long distance calls and numerous flights back and forth, she packed her bags and headed west to once again live by a lake in the mountains. Erin never imagined herself living in Colorado but now that she is here she knows that this is home. A fulfilling job as a business manager of a medical business for three years then led Erin to her current position as a marketing and sales representative for Servpro. Erin is proud to be a Summit County resident and is looking forward to giving back to both her local and global community through Rotary.
