#### Building Integrity - The 4 Way Test

We say the 4 Way Test at the end of every meeting. Maybe you've used it to resolve an issue at work or to solve a dispute with a neighbor. But what if you were 12 or 13 years old and had to make an ethical decision?

That's what **teaching the 4Way Test to Middle School students** is about. Liz Wickert coordinates with our school leaders to bring the principals of the 4 Way Test to every 7<sup>th</sup> grade student in Summit County. 1-2 Rotarians present problems to a round table of 6-10 students. The students are then encouraged to resolve very real dilemmas using the 4Way Test. The goal is to build integrity by giving the students the tools to thoughtfully solve issues.

Be ready for a rewarding and impactful experience. Please check your calendar and contact Liz with the times you can help (April 24 & 25). Schedule below. Liz also has a training scheduled for 3:00pm on Friday April 19 (at the hospital classroom), but she will also work with you if that is not convenient. Liz: 453-4778

Here is a sampling of the types of scenarios presented.

1. A cashier at a fast food restaurant gives you too much change. What do you do?
2. You are baby-sitting for your mom's best friend. She comes home drunk. You live too far away to walk home and she is offended and angry when you say you'll call your mom to come and get you. What do you do?
3. There's this girl in your class who no one likes. Someone sets up a Facebook page in her name. Terrible photos and stories are included. What would you do?
4. Frankie wears weird clothes and has a funky hair style but has always been nice and respectful to you and seems to want to be your friend. The guys call him 'gay' and taunt him. Is this fair? What would you do?
5. You are watching your best friend's house while they were on a camping trip. The house gets robbed because you forgot to lock the door. What do you do?
6. You have just recently been getting to be friends with a very popular person at school. He asks you for answers to a geometry quiz. What do you do?
7. You are in Walmart and see your friend steal something and put it in his/her pocket. What do you do?

#### BUSINESS UPDATE:

As Linda reported last week, we serviced 890 people on Saturday, April 6. The number of volunteers was astounding. The blood draw room was its usual busy place. Mistakes can happen though. We learned this week that 424 participants need to have their blood redrawn. The **9 Health Fair** Committee, Quest Diagnostics, and the wonderful staff at the hospital have met and come up with a plan to re-draw. The mini-fair is being planned for May 11, with back-up times for those who cannot attend that day. The people who need to have a re-draw are being notified by Quest. The follow-up meetings took us to the root of the problem so at the conclusion we could focus on the solution. Thanks for your help in putting an optimistic spin on an unfortunate occurrence. Stuff happens. The problem was the setting on the centrifuge machines. Enough said...now we move forward. If you or someone you know wonders about their specimen, they will

I am reporting this now since Tuesday evening's dinner is as much a social event as a meeting. **The Group Study Exchange (GSE) Team from China** will certainly be an engaging program. A big thank you to Wendy Myers and the Breckenridge Mountain Club for hosting the GSE Team in Summit County. **Remember NO MORNING MEETING THIS TUESDAY, April 16. Our dinner starts at 6:00pm with a wine and beer social at our usual venue the Senior & Community Center. Please welcome members of the Breckenridge Mountain Club will join us.**

### Membership

Posted by Peggy Beeler on Apr 01, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their

name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

#### **Prospective Member Bio:**

Erin Pfarr

Erin was born and raised on a lake in the Endless Mountains of Pennsylvania then spent eight years in Philadelphia where she founded a wellness center. After being recruited by her alma mater to work for them in NYC she sold the business. During Erin's five years living in Brooklyn she ran the student service department of the school and also was the administrator for their graduate program with Teachers College of Columbia University. On a fateful trip to Lake Powell is where she met the man she was meant to marry. Problem was he lived in Colorado and Erin still lived in NYC. After a few months of long distance calls and numerous flights back and forth, she packed her bags and headed west to once again live by a lake in the mountains. Erin never imagined herself living in Colorado but now that she is here she knows that this is home. A fulfilling job as a business manager of a medical business for three years then led Erin to her current position as a marketing and sales representative for Servpro. Erin is proud to be a Summit County resident and is looking forward to giving back to both her local and global community through Rotary.
