Light Up Rotary

Although it sounds a little like a marketing pitch for a new brand of Asian cigarettes, "Light Up Rotary" is actually the 2014-2015 theme for Rotary International, introduced recently by RI President Elect **Gary Huang** of Taipei, Taiwan. He reminds us that Confucius once said "It is better to light a single candle than to sit and curse the darkness". It's a good metaphor for how we live and work in Rotary. As each of us does a little, collectively we achieve great things that make a very positive difference for our world.

What have you done for Rotary lately? We are indeed fortunate to be members of an outstanding Rotary club in a great district, so you have many ready made existing opportunities for immediate involvement to match your interests and abilities. Most of us don't stop at a single candle - we light a few and burn some at both ends! Current service projects include our Four Way Test group discussions with more than 250 seventh grade students at Summit Middle School on May 8 and 9 (see **Jeff McElhattan** or **Gary Nicholds**), interviews, selection, and counseling for this summer's RYLA (see **Rolo Cuadrado** or **Stephanie Katz**), and preparation of host families and Rotarian counselors for three new Youth Exchange students arriving in early August (see **Asa Armstrong**). Two upcoming and very important fundraising projects are the Car Raffle (see **Steve Cornwell** or **Jim Brook**) and the newly rebranded Festival in the Park (see **Betty Naftz** or **Rob Irvine**). I hope to see you all there!

Prospective Member Biographies

Posted by Jim Brook on Apr 19, 2014

Kelsey Lyons - Classification ' Food Services'

My husband and I moved to Summit County in July of 2009 to open our first business, Rocky Mountain Chocolate Factory. Then in February of 2013 we opened our second business, Which Wich, right next door to the Chocolate Factory. Our biggest surprise in opening was how supportive locals are of small business. They keep us alive in mud season and we attribute all of our success to them. From day one, we have felt welcome, loved, and supported in this county. Besides opening our businesses, in those almost five years, we have rescued/adopted a little Chihuahua named Macho, purchased a house in Breckenridge, and made many lifelong friends all over Summit County. Family, friends, and Nebraska football make our world go 'round. We have grown to really love this area and are happy to call Summit our home. We look forward to many more years here filled with sunshine, happiness, success, friends, and maybe a family of our own some day!

Cindy Bargell - Classification 'Attorney'

I moved from Denver to Summit County in 1998, after meeting and marrying my husband Dana Bargell. I have continued to practice law but have also worked for the Town of Silverthorne as a gymnastics coach, and currently write a column for the Summit Daily News. For the last 14 years my biggest job, challenge and joy has been parenting my two daughters, Cassidy (14) and Delani (13). More recent volunteer work has been at their schools, including Dillon Valley Elementary School PTSA co-president (2 years), parent mentor 5th Grade Exhibition, parent volunteer coach, Summit optimist basketball, SMS PTSA member (current), volunteer coordinator SMS Courage Retreat (current). We are members of Lord of the Mountains Lutheran Church (since 2004), and I served on church council from 2008-10, and have been one of the coordinators for LOTM's "Camp Compassion" a week long day camp since 2009, as well as helping out with Sunday school.

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
