President Message

Posted by Joni Ellis on Apr 21, 2013

Rotary is a big part of my life. Like so many members in our Club, I "do Rotary" many hours every week. Eight years ago, I didn't know what Rotary was. Why are so many of us willing to give this time and energy? I think it is human nature to want to do something meaningful, to leave something better than we found it. I joined the club because I liked what I heard about Rotary's international work. I wanted to volunteer in another country. I wanted to do something meaningful. I've found this meaning in Guatemala, but I've also found it right here in Summit County by working with our youth at RYLA, the 4Way Test project, our Youth Exchange program and our incredible Literacy work.

Besides being a catch phrase of today's society, what does it mean to "give back" or "to make a difference"? I think the process of doing can vary, but the definition always circles back to making an impact on someone. Rotarians are willing to risk re-arranging the safety cones in their lives because we want to be impactful. We want to make a difference for someone. Often that means guiding our youth - our future leaders.

The real differences in people are those who are willing to embrace change by doing and those who hide from it by sitting back. Rotary gives us the opportunity to grow, learn, and step out of our personal safety zones. It takes a conscious willingness OF DOING, of leading, of supporting each other.

It may mean stepping out of your safety zone, but if you can make the time, please volunteer this Thursday. **Liz needs 2-4 more club members for the 4Way Test project in the Middle School THIS THURSDAY 9:30-2:00 and noon-2:00.** If you can cover the entire shift lunch is provided. **Call Liz 970 453-4778 or email right away to rotaryliz@gmail.com**

See you Tuesday!

Joni

STEM Career Day - Seeking Presenters!

Posted by Kathryn Davis on Apr 01, 2013

STEM CAREER FAIR

Science, Technology, Engineering & Math

Thursday - May 9, 2013

RECRUITING PRESENTERS

We invite you to participate in this annual career fair, to explain potential career path opportunities to our students. We want to emphasize the exciting and challenging job opportunities in STEM (Science, Technology, Engineering, Math) based careers. We are recruiting presenters that will provide a "hands-on" interactive activity that provides an exciting glimpse into different career fields.

TRAINING:

Attend a presenter's booth training clinic.

Digital ROTARIAN

Posted by Ann Morrison Clement on Apr 15, 2013

Do you want to receive your copy of The Rotarian in a digital format? Go to the Rotary International website <http://www.rotary.org> Then go to Media and News and scroll down to **The Rotarian**. On the right hand column go to digital edition. Fill in the required information. You can receive the digital copy free in place of the paper copy or you can elect to receive both for a fee. Do not go directly to Zinio at the Apple Store or you will be charged \$12.99 from I Tunes. It is great, especially if you are traveling a lot.

QUESTIONS? Contact Ann Clement almclement@comcast.net.

Rotary Happy Hour

Posted by Ann Morrison Clement on Apr 15, 2013

Every **second** Wednesday of the month, rotarians have been gathering for Happy Hour. Happy hour hours are from 5:00 to 6:30. If you haven't checked it out, pencil it in and come by and socialize on one or any of the following dates... SEE YOU THERE!

The Happy Hour Committee members are: Judy Irwin, Julieanne Gilchrist,, Michael Regall, David Matthews, Lou Wagner, David Matthews, Aleda Kresge and Ann Clement. Some of us will be at each of the Happy Hours to welcome everyone. If you would like to be on the Happy Hour Committee, please contact Ann Clement at almclement@comcast.net

Next Happy Hours:

May 8 Tuscatos in Frisco

Membership

Posted by Peggy Beeler on Apr 01, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

Prospective Member Bio:

Erin Pfarr

Erin was born and raised on a lake in the Endless Mountains of Pennsylvania then spent eight years in Philadelphia where she founded a wellness center. After being recruited by her alma mater to work for them in NYC she sold the business. During Erin's five years living in Brooklyn she ran the student service department of the school and also was the administrator for their graduate program with Teachers College of Columbia University. On a fateful trip to Lake Powell is where she met the man she was meant to marry. Problem was he lived in Colorado and Erin still lived in NYC. After a few months of long distance calls and numerous flights back and forth, she packed her bags and headed west to once again live by a lake in the mountains. Erin never imagined herself living in Colorado but now that she is here she knows that this is home. A fulfilling job as a business manager of a medical business for three years then led Erin to her current position as a marketing and sales representative for Servpro. Erin is proud to be a Summit County resident and is looking forward to giving back to both her local and global community through Rotary.
