##### WEEKEND FROLICKS AT THE DISTRICT CONFERENCE...AND MORE!

What a fantastic weekend! The District 5450 Conference in Vail was inspirational, rewarding, and VERY fun. The speakers were outstanding coming from as far away as Russia (RI Representative Andrew Danikenko) and Kenya (Massai Chief Joseph) and as close as Denver (Karl Mecklenburg), and a Land Called Honah Lee (Peter Yarrow of Peter, Paul & Mary). Veteran District Conferees remarked that this was the best District Conference they had ever attended, while first timers were signing up for next year. The fellowship and good times were over the top. It was an honor to have Summit County so well represented. We filled up THREE tables on Friday night and earned as many awards. **The District Literacy Award went to Mary Anne and her Literacy Committee. The Ron Prascher Interact Service Award went to our Summit High Interact Club** (under the leadership of Rob & Kim Phipps) and **Rolo received the Ken Farrell Leadership Award.** Congratulations everyone! The Rotary Club of Summit County rocked the halls on Friday night!

One of the highlights of the Conference is when all the Exchange Students in our District (about 30 kids) put on a Talent Show. **Our very own Simo was the MC for the event, with Marlies singing and dancing her way onto the stage.** It's such a pleasure to watch these kids interact - representing roughly 15 different countries. It doesn't matter what language they speak or where they are from. These young people now have a common thread. When you know someone from a foreign country, or someone who values a different religion, it is a lot more difficult to hate that person, or that country, or that religion. The Rotary Youth Exchange Program teaches tolerance and acceptance. It teaches these young people how to work through challenges, persevere and problem solve.

And what about the **4Way Test delivered to the entire 7<sup>th</sup> grade population at the Summit Middle School last week.** Liz, and her team of nearly 50 volunteers Made Good Things Happen. Many of our volunteers have told me what an inspiring experience it was to participate. This is one example of how *we Make Good Things Happen* for teenagers. If you are interested in taking on the organizational role of this valuable project please see Joni Ellis or Jim Brook. Liz has been the champion for several years and would like to move on. **THANK YOU LIZ.** You've done outstanding work and have made it easy for another member to follow in your steps. You've made a difference in the lives of many young people.

**THE ICE MELT CONTEST ENDS ON TUESDAY!** Bring your ticket stubs to John Pfarr on Tuesday, AND a minimum of \$100 for your sold tickets. Just like all of our fundraisers, we need EVERY member to participate. Many of our good deeds take dollars. We want to continue giving over \$100,000 back to the Summit County community. It takes all of us. If you're not leading the effort, please support the members who are. **The ICE MELT CONTEST is one of our major fundraisers.**

#### Digital ROTARIAN

Posted by Ann Morrison Clement on Apr 15, 2013

Do you want to receive your copy of The Rotarian in a digital format? Go to the Rotary International website <http://www.rotary.org>. Then go to Media and News and scroll down to **The Rotarian**. On the right hand column go to digital edition. Fill in the required information. You can receive the digital copy free in place of the paper copy or you can elect to receive both for a fee. Do not go directly to Zinio at the Apple Store or you will be charged \$12.99 from I Tunes. It is great, especially if you are traveling a lot.

**QUESTIONS?** Contact Ann Clement [almclement@comcast.net](mailto:almclement@comcast.net).

#### Outbound Students

Posted by Jim Brook on Apr 29, 2013

Our Club sponsored two young ladies from Summit High School who are currently outbound for a year in foreign countries, living with host families, attending high school, and learning a great deal about themselves and the larger world. If you want to get a very personal sense of how it must feel to actually live the highs and lows of such an experience, you'll really want to take a little time to read the excellent blog that has been written by **Ciara Morrison** (Frisco, outbound to Switzerland, Aug 2012- June 2013). She truly writes from the heart! Just click on this link - <http://ciaramorrisonswiss.blogspot.ch/>

Ciara and **Crystal Perkins** (Fairplay, currently outbound in Finland) will give a program on their experiences for us during one of our weekly meetings in August.

#### Rotary Happy Hour

Posted by Ann Morrison Clement on Apr 15, 2013

Every **second** Wednesday of the month, Rotarians have been gathering for Happy Hour. Happy hour hours are from 5:00 to 6:30. If you haven't checked it out, pencil it in and come by and socialize on one or any of the following dates... SEE YOU THERE!

The Happy Hour Committee members are: Judy Irwin, Julianne Gilchrist,, Michael Regall, David Matthews, Lou Wagner, David Matthews, Aleda Kresge and Ann Clement. Some of us will be at each of the Happy Hours to welcome everyone. If you would like to be on the Happy Hour Committee, please contact Ann Clement at [almclement@comcast.net](mailto:almclement@comcast.net)

**Next Happy Hours:**

**May 8 Tuscatos in Frisco**

#### Membership

Posted by Peggy Beeler on Apr 01, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

**Prospective Member Bio:**

Proposed Members, New Member, "Old" Member Bios

If you are a new member in the last two or three years, email me a short bio to post in the bulletin for a few weeks so we can get to know you better. Email to Peggy at: [pbeeler75@yahoo.com](mailto:pbeeler75@yahoo.com)  
**Marcia and David Woodland**

We, Marcia (Marcy) and David (Woody) Woodland, met in Denver while working at National Jewish Health in Immunology Research. We were married in Denver, and upon finishing our training, we moved to Memphis, TN where we each ran federally funded research laboratories at St. Jude Children's Research Hospital. While in Memphis, we adopted our two children, Rob (now 21) and Anja (now 17). We then moved our laboratories to the Trudeau Institute in Saranac Lake, NY, in the Adirondack Mountains. Woody later became President and Director of Trudeau Institute. After 12 years in Saranac Lake, we moved a year and a half ago to Silverthorne, where Woody is the Chief Scientific Officer at Keystone Symposia and Marcia continues to run her lab at Trudeau Institute remotely. Marcia has recently attained an adjunct Professor position at National Jewish Health and hopes to develop more extensive collaborations with the National Jewish faculty.

Marcy's personal statement: My hobbies include my daughter, reading, skiing, bicycling, hiking and traveling. I was active on the Board of the Saranac Lake Figure Skating Academy and volunteered for the Adirondack Unitarian Universalist Community in Saranac Lake. I am looking forward soon to retirement and having more time and energy to devote to charitable causes- and Rotary seems like a great opportunity to make a contribution to the community and the world.

Woody's personal statement: I have a longstanding interest in scientific education at all levels and wish to devote my energies to this and other charitable causes. My hobbies include skiing, bicycling, chess and traveling. I also have a passion for Formula One racing.

#### Corporate Sponsors
