President's Message
Posted by Jim Brook on May 04, 2014

Congratulations - Keep It Up!

Our Club was well represented by 14 members at this weekend's annual District Conference, which featured excellent speakers and discussion topics, many informative displays about a wide range of projects, great entertainment, food, and fellowship. We'll share more details at a club meeting in the near future. Summit County Rotary was selected ahead of 67 other clubs in District 5450 for special recognition of its achievements with four awards:

- * the most outstanding club project in the current Rotary year, for our lead role in the Guatemala Literacy Project and its matching grants. Thanks to Joni Ellis, as well as Mary Anne Johnston, Jeff McElhatten, and other members.
- * the best club communications through bulletins, websites, social media, photography, and other methods. Thanks go to Kathy Davis, Jeff McElhatten, Art Burger, and Butch Elich.
- * the most effective use of the Four Way Test to impact the use of high ethical standards in the community during the past year, through our scenario discussions with all seventh grade students at Summit Middle School. Thanks to Elizabeth Wickert and Jeff McElhatten, and all the Rotarians who participate each spring.
- * the Paul Harris Award for Excellence as the best overall club performance in the district... complete with a full size bronze bust of Rotary's founder!

We can all be proud to be members of a club that is well recognized for "making good thing happen" in so many ways for so many people. These current achievements were made from a strong foundation, created by the efforts of members in years past. Now, it's up to all of us to keep up this club's tradition of outstanding service. The reward for good work is the opportunity to do more good work!

50 Things About Rotary
 Posted by Jim Brook on May 04, 2014

#1 of 50 - DEFINITION OF ROTARY - How do you describe the organization called "Rotary"? There are so many characteristics of a Rotary club as well as the activities of 1.2 million Rotarians. There are the features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people and many more descriptive qualities. Rotary International's Public Relation Committee prepared this definition:

"Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world."

Those 31 words are worth remembering when someone asks, "What is a Rotary club?"

Cindy Bargell

Cindy Bargell grew up in Boulder, attended University of Colorado for her undergraduate degree, and the University of Denver law school. She moved to Summit County in 1998, where she met and married her husband, Dana Bargell.

They have two daughters, Delani (age 13), a 7th grader at SMS and Cassidy (age 14), in 8th grade at SMS, eager to start a new chapter at Summit High.

Cindy graduated from CU in 1981 with a degree in mineral land management, and worked in the energy industry as a landman for 10 years before returning to school to get her law degree in 1990. Cindy has practiced law since 1994, initially as a clerk working for Colorado's Supreme Court, followed by work at a prominent Denver firm, punctuated by a few years as an Assistant Attorney General representing the State Land Board and the Oil and Gas Conservation Commission. She is particularly thankful for the ability to work remotely from her home outside of Silverthorne, and for the last five years has teamed with longtime friend and colleague, Sheri Visani, at the firm of Visani Bargell. She enjoys getting outside on the trails for a run, watching the various sports her kids take up from time to time and writing periodically for the Summit Daily News about life and family in our lively little community.

=====

Kelsey Lyons

My husband and I moved to Summit County in July of 2009 to open our first business, Rocky Mountain Chocolate Factory. Then in February of 2013 we opened our second business, Which Wich, right next door to the Chocolate Factory. Our biggest surprise in opening was how supportive locals are of small business. They keep us alive in mud season and we attribute all of our success to them. From day one, we have felt welcome, loved, and supported in this county.

Besides opening our businesses, in those almost five years, we have rescued/adopted a little Chihuahua named Macho, purchased a house in Breckenridge, and made many lifelong friends all over Summit County. Family, friends, and Nebraska football make our world go `round. We have grown to really love this area and are happy to call Summit our home. We look forward to many more years here filled with sunshine, happiness, success, friends, and maybe a family of our own some day!

Membership

Posted by Debra Irvine on Sep 16, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
