#### Creating Smiles

At Happy Hour Betty remarked that even though she's not a morning person, she comes to Tuesday mornings because they make her smile. Our meetings start her day out positive.

Liz was excited over the Rotarian turn-out at the Summit High Career Days. Great pictures were taken. Nice work Liz and 20 or so other members who volunteered. Way to pull it together!

I was stopped by a woman on the way out of the 9Health retesting on Saturday. Bob and I, the phlebotomist room traffic cops had donned our Rotary aprons. Seeing the wheel, she asked, are you a Rotarian? Yes, I am the president. I just want to thank you she responded. I'm a school teacher at Upper Blue and your Reading Buddies program has made a huge impact on my students. Many people think we don't have problems in Summit County, but we do. Not every student has good role models, and my Reading Buddy makes all the difference.

Lee, Jim, Rob, Kim and Piper Phipps refereed the Interact Dodge Ball Tournament on Friday (well Piper didn't exactly ref). The Interact students earned over \$700. They couldn't be more proud, except maybe when they took home the District's Award for the most impactful Interact Club in the District! Having Rotarians show up at their functions means a lot to these hardworking students. If you would like to join them for their end-of-the-year meeting, the date is now May 21, 6:00 at SHS. Contact Rob Phipps for details.

On Saturday morning, about 20 Rotarians turned out to help 220 people have their blood re-drawn at the High School. We received smiles and thanks for our presence. Sometimes what we do is simply make a day a little brighter.

Our Club makes a difference every week. Sometimes we hear about it, other times we'll never witness the impact we've made. It feels good to be a Rotarian.

#### Digital ROTARIAN

Posted by Ann Morrison Clement on May 06, 2013

Do you want to receive your copy of The Rotarian in a digital format? Go to the Rotary International website <http://www.rotary.org> Then go to Media and News and scroll down to **The Rotarian**. On the right hand column go to digital edition. Fill in the required information. You can receive the digital copy free in place of the paper copy or you can elect to receive both for a fee. Do not go directly to Zinio at the Apple Store or you will be charged \$12.99 from I Tunes. It is great, especially if you are traveling a lot.

**QUESTIONS?** Contact Ann Clement [almclement@comcast.net](mailto:almclement@comcast.net).

### Last Week In Rotary

Posted by Jim Brook on May 13, 2013

We heard a lot of good news about youth this week! **Rolo Cuadrado** has completed the application and interview process to select 14 high school students to go to RYLA (Rotary Youth Leadership Awards) and 22 middle school students to go to YoungRYLA this summer - and he managed to complete his college degree at CMC in time for graduation last Friday too! We'll meet all those students at one of our breakfast meetings, with RLYA on June 11 and YRYLA on July 16. **Susan Juergensmeier** participated in the District's final training weekend for outbound Youth Exchange students, and reported that all four Summit High students performed very well; we'll get to meet them individually at breakfast meetings between now and July, before they fly off to their new countries. We'll be hosting two and possibly three inbound students, so please give any suggestions for host families to our YEO **Asa Armstrong**.

**Joni** went all the way to the recycle clue before we were able to guess the Rotarian - **Roxanne Hoover**. New member **Ron Carlson** gave his Classification Talk, and we learned that in addition to his law practice in partnership with his wife, he enjoys a full range of Summit County outdoor activities. **Marlies** drew the number that **John Cheronis** needed to win the weekly raffle pot, but he missed the Ace of Spades so the big pot is now over \$1,000; we can all try again for it next week. **Tom Marmins** proudly announced another outstanding first place milestone achieved by his wife **Darlana** in mortgage lending for Summit County, well ahead of others in much larger markets - way to go! **Liz Wickert** reminded the 20 participating Rotarians of the Career Day at SHS on Thursday, and to wrap up a busy meeting our Summit School District Superintendent **Heidi Pace** delivered an informative and encouraging program on progress in our local schools.

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
