Hello Elizabeth! This email has been generated just for you as a member of our club. We hope you enjoy receiving this newsletter!

<p>Editor: Julianne Gilchrist If you have any comments or questions, email the editor.</p>	<p>President's Message <i>by Rolando Cuadrado</i></p> <p>A sincere thank you</p> <p>Summit High School's graduation ceremonies took place this past weekend. I must say that I was unprepared for all of the attention that we would get as parents of the valedictorian. The reserved front row seats were nice. Many of the parents who graciously offered their congratulations also seemed to want some kind of explanation on Alex's success. Some even sought my advice, as if I knew anything. After answering with many versions of "we just stayed out of his way", I began to realize that I was missing the obvious: Rotary. You may know that Alex has been deeply involved in every available Rotary youth program: RYLA, Youth Exchange, & Interact. Tens of thousands of kids with great grades and high test scores apply to Princeton every year. I truly believe that Alex's Rotary involvement, and the resulting experiences, helped set him apart from the pack. Paulina and I cannot be more proud of Alex, and more grateful to Rotary. We send a heartfelt "thank you" to each of you.</p>
