### #5 - ROTARY MOTTOES

The first motto of Rotary International, "He Profits Most Who Serves Best," was approved at the second Rotary Convention, held in Portland, Oregon, in August 1911. The phrase was first stated by a Chicago Rotarian, Art Sheldon, who made a speech in 1910 which included the remark, "He profits most who serves his fellows best." At about the same time, Ben Collins, president of the Rotary Club of Minneapolis, Minnesota, commented that the proper way to organize a Rotary club was through the principle his club had adopted - "Service, Not Self." These two slogans, slightly modified, were formally approved to be the official mottoes of Rotary at the 1950 Convention in Detroit - "He Profits Most Who Serves Best" and "Service Above Self." The 1989 Council on Legislation established "Service Above Self" as the principal motto of Rotary, since it best explains the philosophy of unselfish volunteer service.

Doug Berg

The first 53 years of my life was spent in Central Wisconsin. My professional career started with GTE (now Verizon) as a Supervisor over large business communication systems. I transitioned from service to software sales for Wausau Financial Systems, traveling nationwide, and working with large clients such as Excel Energy to process their customer's payments.

Throughout most of my life I have been heavily involved with skiing, and many charitable organizations involved in skiing, such as Alpine Commissioner for the Badger State Winter Games, and a volunteer for Special Olympics. I was also president of the Rib Mountain Ski Club and Granite Peak Ski Team, and spent 12 years coaching high school varsity ski race teams.

In November 2010, I moved to Summit County to spend my life with Tami Clark. During my 3½ years in Summit County I have primarily been involved at the Breckenridge Ski Resort with a short time at Names & Numbers. I am in the process of buying the Cookie Johnson Insurance Agency representing Farmers Insurance and Financial Services. My goal is to make a difference here in Summit County, through community involvement, that in some way helps make Summit County a better place (and it's already an awesome place) to live and raise a family.

#### [Membership](#)

Posted by Debra Irvine on Sep 16, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership

Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

**If you would like to be a Mentor to a new member** please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
