President's Message

by [Sandy Mortensen](#)

Good morning Rotarians: Those of you who missed last weeks meeting, Ellen Reid from the Keystone Science School gave a nice presentation on the expansion projects going on out there over the next few years and why they were needed. She also gave a good explanation of their summer camp programs. Our club provided the funds for two scholarships for local kids to the camp this summer. Susan Price gave an update on the Ice Melt contest, which has been going on in our club for 23 years and reminded us that in 2010 it will be 25 years old. Last year we had a net of \$1700 and this year \$14669. Thank you Susan Price and your Ice Melt committee for the work you put into this fundraiser! I want to remind everyone again that the Bulletin is now on the web at summitrotary.com. Many folks have been asking about using the new web page to do "broadcast emails" to the club. The Board is recommending that club related email continue to go thru Bernie for the present time. There is discussion about having a page for things for sale, rent or services needed or available etc. Be patient while the Board sorts out the logistics of making this happen. You can email me or Bill Reets with your input on doing this. Don't forget to bring Halloween costumes on Tuesday for Deborah to take to Peru later this month. Toddlers to 1st grade sizes. LITERACY COMMITTEE MEETING There will be a meeting of the Literacy Committee immediately after our Rotary Breakfast on Tuesday June 10. Our agenda will include a review of the results of our current year's projects including the Dictionary Distribution, Brain Game Books, French dictionaries for Haiti and Bilingual books and tapes project. We will also discuss plans for a Literacy Money Camp. Any Rotary member is welcome to join us to see what we are doing and are planning for the future. Your ideas are always welcome. Wanted: Rotarian editor for the Summit Daily News page. Joni Ellis will be taking on a board position this next year, so the club needs someone to take on her responsibilities for the SDN page. According to Joni, this is a manageable job because the deadline and process is the same each month. Please contact Joni if you are interested in assuming this role beginning July 1. Thank you Lori Slota, Susan Juergensmeier, and Wendy Myers for giving presentations at the District Assembly on Saturday. I sat in on Karen Sekitch's presentation to new Rotary members. She reminded us that Paul Harris, who started Rotary in Chicago, realized early on that getting together for fellowship only would not keep a group going. They needed a sense of purpose. Their group chose their purpose as "Service", and "Service above self" began. Their first service project was to install public portapots in Chicago area. My look how Rotary has grown in the Service provided by over 1.2 million members. Peace to you today. Sandy Mortensen

Jeremie, Haiti Request

by Sandy Mortensen

Dear Rotarians, Summit County Rotary is connected to a club in Jeremie, Haiti that has a fairly modern dental clinic built by a Rotary club from South Carolina. The dentist in the community has recently died and there is a need for dental missions to provide services to Jeremie. Jeremie is a very safe, beautiful corner of Haiti. Far from the chaos in the capital of Port au Prince. There is a lovely guest house. For more information please contact me at <mailto:deborah@jeremierelief.org>.
