All those who have been members of this club for at least a year have known Dick Masica. Most of us were fortunate to hear his heartfelt farewell comments at a breakfast meeting last September, as he and Joanne prepared to depart for Arizona to be closer to family. Dick lived a very full life, rich in family, friends, and a great many accomplishments in business and in his volunteer work. Summit County Rotary was blessed to have his leadership in several international service projects, as chairman of the Charitable Fund, as a leader of our strategic planning and visioning, and in many other roles over the years. I want to share Joanne's message of June 5 with all of you:

Dearest friends:

Dick's journey here on earth came to a peaceful end last night. He left knowing of the deep love and affection of his family, and many friends and colleagues. There is no doubt in my mind that the many messages, prayer chains, and lovely sentiments shared with me these last several days lit up the way for him as he entered God's embrace. He is now surrounded by those we have loved before, and watching over all of us from his new vantage point.

Dick's remains will be cremated, and we plan to have a mass and celebration of his life in Summit County in July. That was our home for 15 marvelous years, and where the richness of our friends and community will be of tremendous comfort to me and the family.

Our family found some peace when we received word that Dick's car was located, with no signs of foul play and all his things inside. The inner cranial hemorrhage was a natural occurrence; we can only surmise that as he was out and about last Friday afternoon, he realized something wasn't right, and that he went in search of help.

As many of you know, we just moved into our new home in Scottsdale in late March. Among the things on the "to do" list was to share our updated contact information. That is provided below.

With love, Joanne

#6 - THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary "4-Way Test." It was created by Rotarian Herbert J. Taylor in 1932 when he was asked to take charge of the Chicago based Club Aluminum Company, which was facing bankruptcy Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company was credited to this simple philosophy.

Herb Taylor became president of Rotary International during 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than 100 languages and published in thousands of ways. The message should be known and followed by all Rotarians.

"Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?

Doug Berg

The first 53 years of my life was spent in Central Wisconsin. My professional career started with GTE (now Verizon) as a Supervisor over large business communication systems. I transitioned from service to software sales for Wausau Financial Systems, traveling nationwide, and working with large clients such as Excel Energy to process their customer's payments.

Throughout most of my life I have been heavily involved with skiing, and many charitable organizations involved in skiing, such as Alpine Commissioner for the Badger State Winter Games, and a volunteer for Special Olympics. I was also president of the Rib Mountain Ski Club and Granite Peak Ski Team, and spent 12 years coaching high school varsity ski race teams.

In November 2010, I moved to Summit County to spend my life with Tami Clark. During my 3½ years in Summit County I have primarily been involved at the Breckenridge Ski Resort with a short time at Names & Numbers. I am in the process of buying the Cookie Johnson Insurance Agency representing Farmers Insurance and Financial Services. My goal is to make a difference here in Summit County, through community involvement, that in some way helps make Summit County a better place (and it's already an awesome place) to live and raise a family.

Membership

Posted by Debra Irvine on Sep 16, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
