<p>Jun 12 2012 Dr. Jaime Yrastorza <i>"Uplift International"</i></p>	<p>I'm just back from Cedar Rapids, Iowa, where I spent the weekend training counselors and Rotarians for a new RYLA (Rotary Youth Leadership Awards) conference. District 5970 started building their RYLA program last year, following the model of our own very successful Rocky Mountain RYLA conferences. While much of this effort is outside our club on my part, I always point out the increasing number of young people which Summit sends to RYLA. Then I talk to them about how well RYLA, Interact, and Youth Exchange work together to improve Rotary's profile among local families and youth. Our club's example of substantial support helps other clubs and districts see the potential for their own youth programs. I am convinced that the Rotary Club of Summit County is making a difference in a much larger way than we sometimes realize.</p>

Rotary Golf*by Wagner, Lou*

This is the protocol for Rotary golf this year.

We have early morning T times at Copper Mountain on Thursdays starting June 7th thru Sept 27 weather permitting. For Thursday, June 7th we have 5 times, 8:10 thru 8:50. If you get a T time that requires you to break the ice off the sign by #1, tough. This is mountain golf. The exact number depends on how many of you sign up. I will send out the notice on the weekend and you have until Tuesday at Noon to get back to me if you are playing. You do NOT have to tell me if you are NOT playing. We don't care if you are NOT playing. Just e-mail me back if you ARE playing. I will then assign T-times based on your preferences (early, late) or who you do (or do not) want to play with and the tips I get. This will come out as an e-mail by Tuesday evening (or earlier). After you get a T-time assigned, you are responsible to communicate with Copper and me if your spouse passes away. That is really the only excuse that will be allowed without some form of Corporal punishment being administered (Google Catholic Grade Schools in the 50's). You can sign up for 9 or 18 holes. We will try to pair up the 9 hole players so Copper has some flexibility in scheduling when we make the turn.

You need to check in at the Pro Shop. Also in order to not give me (or Art or Roy) heart palpitations it would be cool if you showed up at least 10 minutes before your T time.

Rotary Rules apply: #1 rule is keep up with the 4 some ahead of you. #2 See #1 rule. #3. HTH. Hit till happy (as long as you keep up with the bunch in front of you. #4. We called it "Winter Rules" in Minnesota. That means that every good shot starts with a good lie.....So get a good lie. #5. There are NO prizes. #6. Each person keeps their own score and nobody cares what you got so cool it. That's it.

Tip the club washer person what you feel is appropriate. We are NOT collecting money this year from you for them. You must take care of this on your own. Be generous. These are young folks trying to stay alive while pursuing careers in Summit County. It

can be brutal as most of you know.

I am the coordinator/starter June-Mid July, Art will take over until Mid-August and Roy is on from then until close. Tom French will help when needed.

Rate for non-pass holders is \$59. This is up from last year but with the national debt at \$15 trillion (up from \$9 trillion a year ago and up from \$6 trillion when you-know-who took office) this is a break. Don't forget to get your tickets for the car raffle www.WinRotaryCar.com and the www.BreckenridgeDreamVacation.com Rule #7. You will not be allowed to T-off without purchasing same from the starter or show proof of purchase from the web site.

This is NOT the complaint department. We are volunteers. We do the best we can but you have all learned that in life, what you get is usually what you pay for.....one way or the other. File all complaints with Joni Ellis since she is the incoming President of the Club. Oh and HAVE FUN!

Community Dinner Update.....

by Hage, Deborah

SOS served Asian chicken and rice prepared by Marsha Harvey, Marti Trisler, Joni Bauer et al. We had a bit of trouble keeping up as I was not prepared for that many people as we had had a drop in numbers. (329 people; 75 of them children) Low and behold when we ran out of chicken I found two cases of boneless chicken breasts in the freezer.....newly donated by Good Times! Saved by serendipity! We see more miracles then the average organization!!!!

This Monday the Elks Lodge, particularly the dining room and kitchen areas are getting a complete spiff up, compliments of volunteers from Summit County Church of Christ. They are going to defrost and clean the freezer, shampoo the carpet and chairs, wash walls, CLEAN the OVENS!!!, weed, clean the walk in and in general polish everything in sight! We are so grateful to them for their servanthood.
