President Message

Posted by Joni Ellis on Jun 24, 2013

Lisbon, Portugal has welcomed 25,000 Rotarians from 164 countries around the world. A government official said this morning, "What is important to Rotary is important to the world". Only bold people like Rotarians are willing to take on big challenges.

Jim Brook and I are attending the 104th session of the Rotary International Conference. You can hear the plenary sessions in 7 languages. Brilliant colors abound from the dress of various African countries to the intricacies of Japanese kimonos. The energy is unbelievable.

A few thoughts that I will be taking away from the conference: Rotary ends wars before they begin. Rotary builds connections between people and countries. Everything we do for other people makes the world a better place.

Connections. We can do more together than we can alone. We dream of a world that is healthier, happier, and hope of things in the future. Rotary is a way for us to act on our good works. Thank you for the opportunity to serve as your Club President. It has been a very rewarding and fun experience. Wrapping up my year at my first International Conference has been particularly special. See you next Sunday at our Transition Dinner where I will hand over the gavel to your next very capable and inspiring president, Jim Brook.

Community Dinner

Posted by Deborah Hage on Jun 24, 2013

While Paul was doing Ride the Rockies and I was driving the support vehicle Daria and Barry Chesnut headed up the dinner. on June 11. Target volunteered and served spaghetti and meatballs provided by Old Chicago to 370 people (39 children). Pure comfort food! This was an unusually large group for summer, more then 100 then were served the previous week! However, it all came off without a hitch, thanks for a great crew!

June 18 we served BBQ! Joni Bauer, Marsha Harvey and Butch Elitch worked all afternoon on Saturday, June 15, at the Frisco BBQ. They went from vendor to vendor, giving each the opportunity to donate to the dinner any meat and sides they had not sold by the end of the

The Blue Ribbon Bacon Tour is at Keystone this weekend but I can't get anyone at The Keystone Neighborhood Company to answer my phone call or email to see if we can approach the vendors about giving us any bacon they do not sell so we can add it to our cheese and egg strata next Tuesday. Maybe that will still work out, but if not I will thaw some ham donated by City Market. The eggs next week are donated by Target and the bread is donated by Orowheat. We love how generous our local businesses are !!!!

Because we are getting so much meat donated on a fairly regular basis we are needing to find a walk in freezer to put in the back room at the Elks Lodge. Then we will get rid of three of the smaller, inefficient, old freezers we have. One small walk in freezer will hold more food and be much more economical to operate. Right now we have food in the freezers at Summit County High School, Lord of the Mountains and my home freezer, plus in three different freezers at the Elks. I realize walk in freezers are not common household items but if anyone knows of a kitchen that is needing to get rid of their walk in freezer and would like to donate it to us or sell it to us very inexpensively we would love to know about it.

Together....we are doing a very good thing!!!!!!

Membership

Posted by Peggy Beeler on May 13, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clement. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
