### President's Message

by *Bill Reetz*

July 1 is the start of the Rotary Year. Thankfully it is not a start from scratch situation for you or for me. Summit County is a wonderful thriving club with incredible potential. I am honored to serve you this year as your president. The Rotary International President is D.K. Lee of Seoul, Korea. D.K. wants to continue the emphases of last year; Water, Literacy, Health and Hunger. In the midst of his research for possible emphases, he came across a number. That number was 30,000 - the number of children under five who die every day from preventable causes. These children die from pneumonia, measles and malaria due to the lack of basic medicines, vaccines and mosquito nets. They die by the thousands, I think 6,000 daily, because they only have dirty water to wash in and to drink. He then knew his final emphases would be Youth, specifically addressing the mortality of youth. So, Rotary's emphases for 2008-2009 are:

- Water
- Literacy
- Health and Hunger
- Youth

I look forward to seeing you all on all the Tuesday mornings of 2008-2009
