President Message

Posted by Jim Brook on Jul 08, 2013

An Invitation to Sin

I expect you've heard of the Seven Deadly Sins, one of which is Pride. We're encouraged to serve and to live our lives in quiet humility, and most Rotarians do that very well. Too well !! I'm here to tell you that it's time to let the world know we're very proud of what we do, and they need to know more about us. Isn't it great to be approached by a stranger while selling car raffle tickets at City Market, and told that they know at least a little about what Rotary does and they're happy to buy a few tickets to support our future service to their community! Or to ask someone in the schools or at town hall for assistance in setting up a Rotary project, and receive immediate full cooperation because they're already aware of our good work with their students. We've made progress, but we have many more to reach with our message.

So, wear your Rotary pin proudly every day, everywhere. When someone asks, "what's that pin", you have the perfect opening to tell them a little about your Rotary Club, what we do, and what it means to you personally. Think ahead about what you will say.... "What is Rotary?" at the Lisbon Convention one speaker had a great opening line for his answer - a catalyst that brings leaders together to exchange ideas and take action to improve communities everywhere. Then add some comments about your favorite specific projects. Be ready with your response - YOU are our strongest Public Relations messenger !

Last Week In Rotary

Posted by Jim Brook on Jul 08, 2013

Last Week at Rotary, Sunday June 30 - More than 100 Summit Rotarians, spouses, and guests enjoyed the opportunity to visit along with an excellent dinner delivered by **Gilchrist Catering** at the Frisco Adventure Park Lodge. In her final official meeting as Club President, **Joni Ellis** welcomed everyone and gave grateful recognition to many who have demonstrated "Service Above Self" in support of our Club and its many projects. Special recognition was given to all of this year's outstanding "**Ice Melt Princess Committee**" members as they set records both for \$\$ and for fun, to **Liz Wickert** for her dedication as Club Secretary in addition to leadership of several service committees, to **John Pfarr** as our "Rookie of the Year", and to **Dick and Mary Anne Johnston** for the very generous endowment they funded for the Club's work in literacy. President Joni thanked the members of the 2012-13 Boards, of the Club and our Charitable Fund. Incoming President **Jim Brook** introduced the members of the 2013-14 Club Board and presented Joni with a special memento of her year as our cheerleader - a 2 foot tall pink Energizer Bunny decked out with Rotary memorabilia. Our final event was a fun game of "two up" - if you missed it all, you'll have to ask **Betty Naftz** how she managed to win first place.

Citizen's Fire/EMS Academy

Posted by Jim Brook on Jul 08, 2013

The three fire districts, in cooperation with Summit County Ambulance Service are hosting the 1st Citizen's Fire/EMS Academy in August and September of this year. This academy is designed to give members of our community a better understanding of the services provided, governance/administration, and fire prevention activities that are all integral to providing the highest level of Fire/EMS services within our county.

Summit County Rotary members are invited to participate in this program. Below shows a basic overview of the schedule as well as the application. We will be involving the participants in real life activities of a firefighter/EMS provider by having them shadow closely with the crews and doing activities such as fire attacks, search/rescue, EMS skills, and extrication.

Navy. I completed my undergrad and masters at the University of South Dakota. My current position is Town Manager in Frisco which has more than met my expectations. I have also served as Town Manager in Avon Colorado, South Padre Island, Texas, Dacono, Colorado and Basalt, Colorado. What I love most about my profession is that every day is a new adventure and not two days are ever the same. In my spare time I enjoy hiking and golfing. I also feel that we all need to give back to our communities, Rotary will help me fulfill that challenge.

Membership

Posted by Debra Irvine on Jul 01, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
