Stretching Ourselves

I'm writing this a little in advance, in anticipation of a canoe trip that will take me and my favorite daughter into the Boundary Waters / Quetico Park wilderness for six days, through 70 miles of lakes and streams, 20 portages, thousands of mosquitoes, and hopefully at least a few fresh fish. Shelley discovered canoeing this spring on her first eight week session of work as a guide for a wilderness therapy program for troubled teenagers in Alaska, and she decided this would be a great daughter/father trip for us. Last year she and two girlfriends hiked the length of the South American Andes over a period of 11 months. It's amazing and refreshing for me to see such imagination, confidence, and absence of inhibition. It seems that too often we age into routines and subtle fears that keep us from reaching for our potential in life. I'm often guilty of that, unless I'm spurred into action by something that breaks through my routine.

These past few months have brought some big changes to my Rotary life. After agreeing to serve as President, I needed to step out of some other Rotary jobs. I was so pleased to hear Asa Armstrong offer to take over my role as Youth Exchange Officer, and she's already off and running with that great program. How about you? What would it take to get you to stir your imagination and shake off those inhibitions about a new role for yourself and your passion in Rotary? Find a quiet moment this evening, sit down with a glass of wine, and do a little Rotary meditation. There's so much opportunity for service, and in many Rotary projects you can pretty much write your own job description. Come see me. We'll talk.

Last Week In Rotary

Posted by Jim Brook on Jul 15, 2013

Last Week at Rotary, Tuesday July 9 - We welcomed several guests, including **Julie Chandler** of the National Repertory Orchestra announcing the NRO's "Dancing on the Peaks" event July 20, and **Bob Miller** from the Mountain Foothills Rotary Club announcing their "Sustainable Family Communities" program. **Jeff McElhattan** gave us an inspiration through several famous individuals that showed us the value of failure and the positive power of perseverance. **Stephanie Katz** invited us to come out to see RYLA in action July 15th or 17th - call her to join in. The Car Raffle sign up sheet was getting good participation but we still need a couple more, so please call **Joel Cochran** or **Stephanie** to help out that important project now. **Dick Masica** was pleased to win the daily raffle, but **Kathy Davis** was not so pleased to have suffered four flat tires during her weekend cycling adventures! Past President **Joni Ellis** recognized **Rob Phipps** for his service on the Board and his work with InterAct; we all wish Rob the very best in his treatments for Crohn's Disease. Our speaker, a native of South Africa, shared his humorous experience with the term "African American" and continued with an intriguing description of his "Cargo of Dreams" programs including their use of shipping containers, to create key structures in impoverished areas.

VAROOOOM! Week 8 is Here!

Posted by Kathryn Davis on Jul 15, 2013

Week 8 of 11 is already upon us. We are running a little behind last year, so please pitch in and help. Check your calendars and be ready to sign up at Tuesday's meeting, or better yet, call or email Stephanie (970-468-1317, katzkids@comcast.net) and grab the most popular spots right now:

Friday, July 19: Dillon Farmers Market, 9-11:30 and 11:30-2

Dillon City Market, 2:30-5S

Saturday, July 20: Dillon City Market, 11-1, 1-3 and 3-5 (please note the shorter shifts designed to appeal to those who requested them)

Sunday, July 21: NRO Concert at Riverwalk, 10:30-12:30

Wal-Mart, 2:30-5

Debra and Rob Irvine are your team captains this weekend, please sign up and make their responsibilities easier.

Remember that these are opportunities to sell your own ticket, too. As soon as you have sold or bought your 20 tickets in the white envelopes, you can hand them in to Joel or Steph or place them in the lockbox in the car.

New Member Bio:

Perspective Member: Bill Efting

I have been married to Carol Efting for the past seven years, I have three children ages 32, 31 and 29 and two grandchildren that live in Yankton, South Dakota. Carol has two daughters ages 25 and 27 that live in Phoenix, Arizona. I graduated from Riggs High School in Pierre, South Dakota and served four years in the U.S. Navy. I completed my undergrad and masters at the University of South Dakota. My current position is Town Manager in Frisco which has more than met my expectations. I have also served as Town Manager in Avon Colorado, South Padre Island, Texas, Dacono, Colorado and Basalt, Colorado. What I love most about my profession is that every day is a new adventure and not two days are ever the same. In my spare time I enjoy hiking and golfing. I also feel that we all need to give back to our communities, Rotary will help me fulfill that challenge.

Membership

Posted by Debra Irvine on Jul 01, 2013

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **Debra Irvine**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
