President's Message

by Ellis, Joni

A belief in the power of service lies in the very heart of Rotary. By making service a priority, we put the needs of others above ourselves. Through service, we become more tolerant of our differences and more grateful for the people in our lives. - RI President Sakuji Tanaka

President Tanaka has never come to Summit County, yet his words reflect our Club's service activities so precisely. Summit County teenagers are learning leadership, tolerance, and the power of service at young RYLA this week. Rolo, Rob & Kim Phipps, and Stephanie Katz are volunteering as counselors. With Joni Bauer organizing, our Club volunteered at the Community Dinner on Tuesday. Tom Coolidge, Heidi Swartzloff and others have given hours, if not the entire weekend to sell car raffle tickets. Betty and Wendy are ceaselessly working to make the Krystal 93 BBQ a successful event. Finally, but not least or last, Jim as President Elect, Judi as Fundraising Chair, and Kathy as Club Service Chair are filling in for me all week. Thank you for holding the fort down!

And where am I when you receive this? I am in a small 12' raft paddling the Main Fork of the Flathead River south of Glacier National Park. Besides serving with Rotary, or being with our kids, Pat and I couldn't think of a better place to be but on the river.

Get your Rotary on for Bill! Bill Reetz, Past President, will run Tuesday's meeting.

Recycle that old and **well read** Rotary Magazine while spreading the word about our club!

When you have finished reading your monthly Rotary Magazine please bring it to our Tuesday meeting. We will place a label over the mailing

information indicating our club name, meeting place and time and a contact. We will then ask members to help place a couple in offices with lobbies (doctors, dentists, fitness centers and other businesses).

Thanks for your help!

Membership

by Beeler, Peggy

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to Peggy Beeler. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see Ann Clements. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.

Car Raffle Update

by Katz, Stephanie

Thanks to everyone who has turned in their white ticket envelopes and/or generously given their time to sell on location, we finally own the car and

have covered all our incidental expenses. A special thanks goes to Sharon Butler, who single-handedly sold 74 tickets last weekend. From this point forward, every ticket sold supports our Rotary projects. Remember, your completed white envelopes are due to be turned in to Tom this Tuesday morning.

The raffle committee has a special request. Would those who took pictures of the car at the 4th of July parade please get those photos to Tom Coolidge (tetc33@gmail.com) as soon as possible? **If we can get 10 of them published, Ford will give us a substantial reimbursement for our publicity expenses.**

There are only three weekends plus the BBQ left to sell tickets. Let's make them the most successful, yet. When Kyle McElhattan stands up and asks for volunteers, raise those hands up high and help him out. Hallelujah, Rotary brothers and sisters.
