"Making Good Things Happen" with Rotary Friends

When asked what they like about Rotary, most of us give one of the opportunities we have as Rotarians. We have the opportunity to serve and make a difference in our community, and we have the opportunity to help other members.

Fellowship and teamwork begin to develop with some initial personal connections. We get to know each other during our weekly breakfast meetings, but it really happens when we work together on one of our many project committees, or share our talents and skills. We get to know each other, and where we get the satisfaction of accomplishing something worthwhile together. As Larry Stone reminded us last week, we're stronger as a team than the sum of our individual efforts and abilities when we work as a team. We are the Rotary Club of Summit County.

On Friday and Saturday August 9 & 10 we all have a great opportunity to enjoy a really fun atmosphere at our Krystal 93 / Rotary BBQ at the Summit. There will be live music, and much more! This is the best event of our year for developing new friendships. These next two weeks of selling car raffle tickets and running the fund-raising are critical times in our annual Summit Rotary calendar for banking all our money for our many service projects throughout the rest of the year.

Be sure to attend for next week's program which will highlight a special project and the event's many facets. See Bruce Butler on Tuesday morning.

[Last Week In Rotary](#)

Posted by Jim Brook on Jul 29, 2013

Last Week at Rotary, Tuesday July 23 - **Steve Bainbridge** got t inspiration message on 'freedom', relating the experiences of those countries of the former Soviet Union which he visited recently. One outbound Exchange Student, **Anakayla Charchi Easterly**, introduced and told us a little of her expectations and excitement for her next of progress on the Car Raffle, and learned **Maggie Hillman's** most offer one for \$10, talk them into 4 for \$30, then accidentally ring up \$ machine and sweet talk them into the extra 10 tickets.... many thanks administrator, **Melissa Bauman**, for her generous support! **Li Divine** reported that **Joni Bauer** recently got badly tripped up while apparently she managed to break the fall by landing on her head with injury... Joni tells us she is mending well and will be back with us **Johnston** proudly presented the District's Literacy Award given to many achievements - congratulations to all who worked on our many programs. Our President Elect / Program Chair **Peggy Beeler** introduced and his presentation on the Dillon Theatre and its many impacts on communities. **Bruce Butler** continued to fill in the volunteer list for Krystal93 BBQ in Dillon; still more needed so please see him next many shifts as you can manage!

We want to thank all of those sponsors who are identifying community professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor a \$100 application fee to **Debra Irvine**. The application will then be reviewed by the Membership Committee for approval and then the Board of Directors. The name and bio will be posted in our bulletin for 3 weeks. If there are no objections, the Prospective Member the induction will be scheduled.

If you would like to be a Mentor to a new member please see [Mentor](#) and encourage new members to interact with Prospective/New Members. One of the Red Badge requirements is to be a Greeter 3 times. By growing and we are experiencing so many guests, greeters are so needed. You don't have to be a new member to be a greeter. It is just one more way to serve Club Service.
