We should all be glad for the time we have with our friends and family. This week we had a moment of silence to remember **Jim Beltzer**, a wonderful man and great Rotarian. He will be missed by all who were lucky enough to know him.

We got a thank you post card from **Dr. Peters** from Rwanda thanking us for the support in his work. We also had a pause for the cause from Maria Rosa who told of the great work they are doing in Tanzania with leadership mentorship programs for girls. It is good to reflect upon all of the wonderful work that is happening in the world, and feel good that our efforts help support some of these.

Speaking of supporting great causes, our Car Raffle fundraiser is in the final stretch, **Jim Brook** recognized the folks that have already sold 60+ tickets, bringing our average up – we've got some star sellers in our club, and you know who you are! Thank you for everyone's efforts in making this fundraiser a success.

**Bill Sanders** has kindly agreed to take over **Jeff McElhatan's** role on the board of directors while

Jeff takes a leave. We also changed the location and time of the Board of Directors meetings to the second Tuesday of the month at the Frisco Library 9am. All Rotarians are welcome to attend these meetings, and encouraged to do so.

The Club would like to share some appreciation to all that **Maggie Dew** does as the Family of Rotary coordinator. She is the one who sends cards and coordinates events when there is a fellow Rotarian in need of support or celebration. Maggie shared that **Betty Naftz** is the proud grandmother of a new granddaughter, I am sure we will be treated to photos when she is back! Also, **Gil Smith** is settling into assisted living and if anyone wants to stop by and say hello to him it would be most welcome.

**Butch Elich** reminded us that the Zone Institute is September 9-14<sup>th</sup>. This is a rare opportunity to attend and help since the event is in our state this year! If you want to attend or help, see Butch for details.

Paul Harris covered his rather cold metallic head with a cap from **Wendy Myers**. She was off fighting a fire, so **Susan Juergensmeier** offered some explanation about the first fire team hat and meaning of the logo.

**Dave Helmer** had the lucky ticket to win the \$63 little pot and the bottle of Breckenridge Vodka, but the \$1047 Big Pot remains. Thank you to **Mike Whitehill** for helping to sell raffle tickets last week. I wonder who he will sell the winning ticket to next week. The number of cards is getting smaller, and the pot is getting bigger. Bring your money and you could be the winner.

**REMEMBER THAT THE MEETING ON AUGUST 12 WILL BE AT THE SOS BUILDING! If you show up at the senior center that day, you won't find any Rotarians or bacon.**

See you all next week!

[Festival in the Park](#)

Posted by Diane Monaghan on Aug 01, 2014

**Last chance to make our first Festival in the Park the pride of our club**

In just a few days, all the planning, scheming and preparations will come to fruition. Please join in the Festival excitement and make yourself useful by volunteering for a shift or two on Friday, August 8 and Saturday, August 9. Sign up your spouses and friends to work with you; they will be eternally grateful.

Specifically, Saturday is looking a little thin. There are still some prime spots available in the beer

- President Gary C.K. Huang's ambitious 1.3 million membership goal
- Political strife, protecting U.S. diplomats are part of the job for former Rotary Peace Fellow
- Polio vaccinators make significant headway in Nigeria
- Rotary Scholar's unique ability in bringing clubs together
- Rick Burns' thoughtful approach to Iraq and Afghanistan

tents and ticket booths. Some less glamorous, but equally important, jobs include straightening up the musicians' condo (one Rotarian with a friend or two could do it quickly) and breaking down the event in the evening. Please contact Stephanie with questions or offers of help at [970-468-1317](tel:970-468-1317) or [katzkids@comcast.net](mailto:katzkids@comcast.net).

#### **BIOGRAPHY'S**

Mike Connolly:

I have a MBA from Amos Tuck/School at Dartmouth. My career path started in commercial and investment banking and then transitioned to become a successful business and corporate development company executive for over 20 years. Over the last three years, I changed my career to work up in Summit County full time, to financial and retirement planning with New York Life.

I have been active in several volunteer organizations both before and after I moved to Summit County six years ago. Back east, I was a member of the Old Greenwich Volunteer Fire Dept. for 12 years and served as Treasurer of the OGFDF Foundation. I was also a member of the Board for the Martha's Vineyard Farm Institute, a non-profit cooperative and children's education facility.

Since moving to Breckenridge, I have become involved in Summit County Foster Parenting and Mountain Mentors, together with my wife Stacey. My volunteer work as a Ranger Patroller for The Friends of the Dillon Ranger District led to my joining their Board a year ago. As of six months ago, I am now the Treasurer of the FDRD Board. Also, an active member of the Breckenridge Resort Chamber

Ron Lara:

Ron Lara is a 1968 graduate of the University of Maryland with a Bachelor of Science degree in Civil Engineering. Following his graduation, he served as Assistant District Engineer for Humble Oil and Refining Company until 1969. He then served in the United States Army from 1969 until 1971. After his military service, Ron stayed in the Washington, D.C. area to begin his career in the financial services industry. In 1977 he became one of the first Certified Financial Planners in the Washington DC area.

In 1981 Ron, with his partner, founded Lara, May & Associates, an independent registered broker dealer and investment advisory firm.

In 2001 he opened his Summit County financial planning office of Lara, May & Associates

Ron's numerous charitable affiliations have included memberships on the Board of Directors for the Fairfax Library Foundation, Claude Moore Colonial Farm at Turkey Run, and Joe Gibbs' Youth for Tomorrow organization. A native of the Washington, DC area, Ron now spends most of his time in Summit County, Colorado. Ron is married with five children and seven grandchildren spanning across the U.S. In his free time, Ron enjoys skiing, flying, fishing, tennis and attempting golf.

Posted by Julieanne Gilchrist on Jul 12, 2014

We want to thank all of those sponsors who are identifying community leaders/business professionals and bringing them to our meetings. Remember, a Prospective Member should attend 3 meetings before turning in their application, sponsor form, a short bio and \$100 application fee to **JULIEANNE GILCHRIST**. The application will then be presented to the Membership Committee for approval and then the Board of Directors. Once approved their name and bio will be posted in our bulletin for 3 weeks. If there are no questions about the Prospective Member the induction will be scheduled.

**If you would like to be a Mentor to a new member** please see **Ann Clement**. We encourage new members to interact with Prospective/New Members as much as possible. One of the Red Badge requirements is to be a Greeter 3 times. Because our club is growing and we are experiencing so many guests, greeters are so very important. You don't have to be a new member to be a greeter. It is just one more way of participating in Club Service.
